## **The Father:**

**The Father's Book, Or, Suggestions for the Government and Instruction of Young Children, on Principles Appropriate to a Christian Country** Theodore Dwight, 1834     *Jesus and the Father* Kevin N. Giles, 2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity In *Jesus and the Father* Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father Son Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so called economic Trinity and the immanent Trinity Does the Father Son relationship in the Trinity prescribe male female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity Millard Erickson author *Christian Theology* By showing that subordinationism is a revival of a heresy that was systematically rejected by the non Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully considered Paul D Molnar professor of systematic theology St John s University     **The Father's Plan** Robert Wolgemuth, 2010-02-08 Experience the Father s love and become a better dad Married and single fathers will benefit from this study that explores the many issues facing dads from a biblical perspective *The Father s Plan A Bible Study for Dads* encourages men at every age and stage of life to strengthen their relationship with God building a legacy of faith to leave for future generations This seven week study helps fathers explore fatherhood in the light of the Bible s teachings The personal reflection questions will draw fathers into quality personal time with their Heavenly Father and the group discussion questions will lead dads to reflect on their legacy and to grow in their God given role     *The Father's House* Larche Davies, 2015-08-28 I can see you hissed the Magnifico I can hear you I can watch your every action Lucy pulled the pillow over her head as the nightly whispers began The fire awaits all sinners and their flesh will melt away Lucy is a fourteen year old girl brought up in a fanatical religious sect that aims to take over the whole world under a deity called the Magnifico Children born into the sect are raised in communes headed by Fathers For some unknown reason Lucy and another child Paul do not live in a commune but are strictly raised by so called Aunt Sarah in the ground floor flat of the Father s private house He lives upstairs and a mystery tenant lives on the second floor Lucy s experience of life is limited to the ground floor flat prayer meetings and the Magnifico s school where children are educated with the aim of infiltrating

influential positions in the outside world working as skivvies or breeding future followers of the Holy Cause When she suffers humiliation at school assembly her trust in the religion begins to collapse and through two school friends she learns some of the secrets of the sect Her aim is to escape before she is sixteen when she will either be compulsorily married to one of the Fathers in the name of the Magnifico or disposed of as unsuitable to further the Holy Cause She does not know whom to trust and wants to formulate an escape plan but the matter is taken out of her hands when the Father s enemies invade his house and she has no choice but to flee
