**The Great Southern Food Festival Cookbook** Mindy B. Henderson,2008 02 [The Jewish Festival Cookbook](#) Gertrude Blair,Fannie Engle,2020-12-30 How this book began It began one day when my mother was making Chanukah latkes I had to stand on tiptoe to see the latkes frying in the oil What magic to see the batter turn to round golden brown pancakes Could I do it Could I turn them I begged my mother and she let me The wonderment of it still lives It began at another time when I had to write a story as a child I wrote about how I loved the Sabbath and our holidays and how sad I was when they were over The book began when I went to college and studied home economics Now is the time I thought to set down my mother s recipes and my aunt s and some of our neighbors My five sisters all wanted copies so that they could really prepare the dishes as Mother made them The book became a reality when Gertrude Blair said Fannie why don t you do a Jewish Festival Cookbook You know of course how much the traditional dishes are in demand around the holidays And I said Why don t we do it together What we have tried to do In this book we have assembled traditional dishes for the important festival seasons of the year We have included also a brief word on the history and significance of each festival so that the colorful customs and traditions that have grown up over the years can be seen as a meaningful part of each holiday Although the book includes recipes from many parts of the world showing the international character of Jewish dishes it is not written as a history of Jewish cooking It is designed to place emphasis on the particular dishes that have a background in the rich customs legends and symbols connected with Jewish life Throughout the book these dishes are placed in their holiday pattern It is truly a guide in preparing and serving the symbolic and traditional special foods and meals eaten during festival times We have intentionally taken the Orthodox Jewish observance as our standard but it is hoped that this book will also be used by Reform and Conservative groups by non Jews by schools by cooks everywhere
