Patton in Mexico Michael Lee Lanning,2023-11-01 Had Lieutenant George S Patton not served on the southern border during the Mexican Expedition of 1916 there might never have been a General George S Patton who took the world by storm as a bold and daring commander during World War II Relying on Patton s detailed personal journals of his eight months in Mexico Michael Lee Lanning describes the young officer s exploits during the hunt for Pancho Villa As an aide to General John Pershing Patton learned leadership and logistics from the man who would soon command American forces in World War I Begging for a field command he received it and led the first motorized attack in U S military history and may or may not have killed two of Villa s lieutenants The press ate it up and Patton learned not only how much he loved attention but how to promote himself In Mexico are the roots of Patton the World War II general and Lanning tells the story deftly focusing on Patton the man as well Patton the commander and always casting an eye forward to Patton s future career This is how Patton became Patton *The Washingtons.
