The Final Buddha:

Postponement in Perpetuality: the Buddha's Prophecy of the End of Buddhism and Its Transmission in East Asia

Yi Liu, 2025-03-27 The Buddha prophesied that his teachings would vanish a few hundred years after his passing creating an existential dilemma for Chinese Buddhists on the brink of Buddhism's disappearance This book examines the origins of this prophecy and the famous end of Buddhism belief in Indian and Central Asian Buddhism and the centuries long struggle of Chinese Buddhists to interpret and adapt this prophecy This resulted in the unique East Asian Buddhist belief of mofa the final age of Buddhism which profoundly influenced medieval China and Japan **Text as Father** Alan

Cole, 2005-08-29 This beautifully written work sheds new light on the origins and nature of Mahayana Buddhism with close readings of four well known texts the Lotus Sutra Diamond Sutra Tathagatagarbha Sutra and Vimalakirtinirdesa Treating these sutras as literary works rather than as straightforward philosophic or doctrinal treatises Alan Cole argues that these writings were carefully sculpted to undermine traditional monastic Buddhism and to gain legitimacy and authority for Mahayana Buddhism as it was veering away from Buddhism's older oral and institutional forms His sophisticated and sustained analysis of the narrative structures and seductive literary strategies used in these sutras suggests that they were specifically written to encourage devotion to the written word instead of other forms of authority be they human institutional or iconic **The Creed of Buddha** Edmond Holmes, 1908 [The Dhamma of Gotama the Buddha and the Gospel of Jesus the Christ](#) Charles Francis Aiken (priest), 1900

Following in the Buddha's Footsteps Dalai Lama, Thubten Chodron, 2019-10-15 The newest volume in the bestselling series from the Dalai Lama Delve into the substance of spiritual practice in this fourth volume of the Dalai Lama's definitive series on the path to awakening Following in the Buddha's Footsteps You'll first hear His Holiness's explanation of the Buddha Dharma and Sangha why they are reliable guides on the path and how to relate to them His Holiness then describes the three essential trainings common to all Buddhist traditions the higher trainings in ethical conduct concentration and wisdom These chapters show us how to live a life free of harm to self or others and give us detailed instructions on how to develop single pointed concentration as well as the higher states of concentration available to an earnest practitioner In addition the chapters on wisdom contain in depth teachings on the noble eightfold path and the four establishments of mindfulness for developing greater awareness and understanding of our body feelings mind and other phenomena Together these topics form the core of Buddhist practice This is a book to treasure and refer to repeatedly as you begin the path progress on it and near the final goal of nirvana **The Dhamma of Gotama the**
