**Echoes of Jesus in the First Epistle of Peter** Timothy E. Miller, 2022-03-10 How did the words of Jesus influence the writing of 1 Peter That is the question that is at the heart of this study Of course the answer is complicated by the fact that 1 Peter nowhere directly references the words of Jesus Nevertheless the impact of his words are evident throughout the letter The first third of the book lays the foundation for answering the question by giving clear and concise criteria for identifying places where 1 Peter uses the words of Jesus The rest of the book walks through the text of 1 Peter section by section submitting each potential echo of Jesus s words to the criteria previously developed The book concludes by considering how the words of Jesus influenced the themes and content of the letter

**The First Epistle General of Peter** Alan Marshall Stibbs, 1959 1 Peter has a message for Christians of every time and place Its three main themes are

particularly relevant to the present day When scientific achievement the welfare state and dialectical materialism combine to make our century too worldly minded 1 Peter recalls us to the heavenly and eternal outlook and reminds us we are but strangers and pilgrims here Similarly when relief from physical disease and the provision of physical comfort tend to be treated as the primary Christian objectives we need the reminder that holiness matters more and that all who would follow Christ must be prepared to suffer for righteousness sake and to recognize that God uses suffering for the highest good Also when moral standards tend to decline and when young converts are tempted to spend their enthusiasm more in words than in deeds we need the challenge to express our response to the gospel in transformed behavior in relation to our fellow men
