The Sacred Yes:

The Sacred Yes Rev. Deborah L. Johnson, 2010-07-30 The voice of the Divine is as near to you as your own breath just ask That s what Reverend Deborah L Johnson did in 1995 In a moment of darkness there was nothing she could do but surrender Take me now oh Lord Almost instantly she heard whispers and they turned into more than 300 letters from Spirit Today she offers 50 of these epistles in **The Sacred Yes** the process of receiving these letters does not make me special in any way explains Rev Johnson whose nondenominational Inner Light Ministries is the spiritual community of more than 1500 people spirit is equally available to anyone and everyone We need only take the time to cultivate our spiritual abilities and to commune often with our sense of the Divine **The Sacred Yes** gives us first hand experience of the power and transformation available through direct communion with the Infinite Each letter carries a message that speaks to us individually yet provides a simple wisdom that serves the collective conscience The act of unconditional surrender to the unknown without reservation or hesitation is what transforms all circumstances into something that benefits all And according to Rev Deborah L Johnson it happens with one sacred word yes

and revolutionary Persian mystic Zarathustra Zoroaster whom Nietzsche chose as a spokesperson The result is an enchanting journey through a world where life is celebrated not renounced and where timeless truths prevail over the lies and distortions that continue to cripple our efforts to become healthy and whole **Your Sacred Yes** Susie Larson,2015-05-26

Are you worn out from life's ought to's and should do's It's so easy to give away our time to things unappointed by God We commit to something because it's a good cause or there's a great need Or maybe because no one else will help out The result The days blur together and we find ourselves overworked and underjoyed desperate for a faith awakening In this practical and liberating book Susie shares biblical ways to Learn how and when to say no without guilt or shame Find a pace and perspective that matches God's best for you Discern man made obligations from God given invitations Will you say yes to the One who will rejuvenate your soul Includes Reflection Questions for Personal or Group Use A DVD Study Companion Is Also Available Separately If your days feel more life draining than life giving let Susie Larson show you how to reclaim the joyful fruitful life God wants for you Mark Batterson bestselling author and lead pastor of National Community Church Susie really opened my eyes to look for God's best when deciding where I spend my time He doesn't give up on us because we made mistakes He has a design and purpose to fulfill and the enemy would love nothing more than to take us out with exhaustion and wasted time Caroline Barnett co pastor of The Dream Center and author of Willing to Walk on Water Saying yes to God is the most important decision you can make but it shouldn't stop there After beginning a relationship with Christ we must constantly say yes to His influence wisdom and power in our lives Your Sacred Yes will empower and equip you to say yes to a life of freedom fulfillment and significance Say yes Craig Groeschel senior pastor of LifeChurch tv and author of From This Day Forward Challenging us to carefully consider our sacred responsibilities Susie Larson uses her trademark transparent stories to compel us to rest more and to make the difficult decisions that will prioritize our relationship with God If you find yourself in the rat race of life Your Sacred Yes will give you the courage to slow down and say yes to the right things Pastor Nate and Jodi Ruch Emmanuel Christian Center This is such a timely book for all of us I am grateful that Susie said yes to writing these sacred truths This book will strengthen and empower all of us to follow the voice of God with more boldness and clarity Brady Boyd pastor of New Life Church and author of Addicted to Busy Zarathustra: A God That Can Dance Osho,2023-03-08 FRIEDRICH NIETZSCHE is perhaps the greatest philosopher the world has known He is also great in another dimension which many philosophers are simply unaware of he is a born mystic His philosophy is not only of the mind but is rooted deep in the heart and some roots even reach to his very being The only thing unfortunate about him is that he was born in the West hence he could never come across any mystery school He contemplated deeply but he was absolutely unaware about meditation His thoughts sometimes have the depth of a meditator sometimes the flight of a Gautam Buddha but these things seem to have happened spontaneously to him Human Excellence and an Ecological Conception of the Psyche John Hanwell Riker,1991-07-03 This book explores the possibility of grounding the idea of human excellence which

has traditionally been associated with hierarchical systems on an ecological structuring of the psyche Riker bases his concept on recent work in psychoanalytic theory emotion theory sociobiology ethnogenic social psychology and feminism as well as on the insights of such philosophers as Aristotle Nietzsche Whitehead Heidegger and Wittgenstein *Outlook* ,1898
