Mark Steyvers

Trigon Disunity 3vol:

Empery Michael P. Kube-McDowell, 2004-05 Empry Michael P Kube-McDowell, 2020-07-13 The breathtaking conclusion to the Trigon Disunity saga Sixty thousand years ago the Mizari destroyed the first human interstellar expansion but humans have risen again to create a new galactic empire However as the new thriving empire pushes its boundaries outward the old Mizari threat becomes ever more real Though guarded by a huge network of defensive systems the human empire is still very vulnerable to the deadly Mazari Sterilizers that wrecked the first human expansion Humans debate the future development of a deadly new weapon that can destroy whole worlds Some see the need for such a weapon as a final defense against the deadliest enemy humanity have ever faced while others fear the implications of the weapon itself But while this debate rages Merritt Thackery races in a stolen ship towards the Mizari homeworld with a vision and a plan that is unlike anything else one which can destrpuy humankind itself or provide much needed peace between the two ancient foes
