## **Trotsky's Run:**

*Trotsky's Run* Richard Hoyt, A JAMES BURLANE THRILLER It is a strange case of history repeating itself and international relations making strange bedfellows in Richard Hoyt's comic thriller *Trotsky's Run* In this funny gripping and tongue in cheek look at spy versus spy two CIA agents form an unusual partnership to unravel and forestall what appears to be the horrifying inevitability that the next President of the United States will be a KGB agent Ex Russian mole Kim Philby begs to be rescued from the Soviet Union A CIA deskman ends up in Yalta Leon Trotsky visits a Manhattan massage parlor And all the while the Americans and Russians exchange gambits as a mysterious third party always looks on From the man who turned a beardless Fidel Castro loose in New York City in *The Manna Enzyme* here is *Trotsky's Run* appalling outrageous black comedy at its best

*The Ideas of Leon Trotsky* Hillel Ticktin,Michael Cox,1995 As its first and most daring theorist and later its most penetrating left wing critic Leon Trotsky will for ever be associated with the fate of the Russian Revolution Yet little of real substance has ever been written about his genuine but unfinished contribution to Marxist thought in the twentieth century This volume seeks to fill that vacuum through a critical assessment of his views on political economy the party revolution philosophy and culture This book also contains a number of brief but incisive essays on the turbulent history of the Left Opposition as well as a lively and iconoclastic discussion of the way his ideas have been interpreted and misinterpreted by both friends and enemies alike The last section of the volume brings to the English speaking world previously untranslated material by Trotsky on his mature reflections on the world economy in the interwar period Neither crude polemic nor simple minded hagiography *The Ideas of Leon Trotsky* fills a major gap in our understanding of one of the most controversial thinkers of our age
