

The River Lord

H Kauffman

The River Lord:

Bosambo of the River Edgar Wallace, 1932-12-13 Colonial Administrator Sanders is known for exploiting the people of Liberia. But when he encounters the one man three steps ahead of him, all that is about to change. Both a conman and a crook, escaped convict turned tribal chief, Bosambo is ready to outwit Sanders and his crew. He is nevertheless fiercely loyal to him and ready to spring to his rescue in times of need. Weaving another rip-roaring tale in the Sanders of the River adventure series, Wallace's novel and 1935 film starring Paul Robeson and Leslie Banks is ideal for fans of the 2016 blockbuster hit *The Legend of Tarzan*. Edgar Wallace (1875-1932) was an English writer so prolific that his publisher claimed that he was responsible for a quarter of all books sold in England. An author, journalist, and poet, Wallace wrote countless novels, short stories, screenplays, and stage plays, along with historical non-fiction. His work has been adapted into more than 160 films. In 1932, Wallace died suddenly in Hollywood during the initial drafting of his most famous work, *King Kong*.

The River of the Lord: a Path Through Suffering Timothy J. McAlpin, 2011-08-29 Learn how to rise above the trials and sufferings in your life. Learn how to keep the right perspective on what God is doing in your life. Learn how to trust God when things in your life are upside down. When you think of deliverance, God is thinking of development. God is always faithful and trustworthy, and often circumstances challenge this in your life. Lock into God's promises and integrity when life has dealt you a rough path to walk. A must-read for anyone who is going through trials and suffering. *The River of the Lord* opens the door to God's path through suffering.

Sent to the River God Forgot James W. Walton, Janice Walton, 1995 Through disease, cultural barriers, and hardships, Jim and Janice Walton continued the long process of translating the New Testament into the Muijane language.

Life of Lord Lawrence Reginald Bosworth Smith, 1883

The People of the River Edgar Wallace, 1912 Commissioner Sanders should have known better than to go on vacation. He is just a few days from his offices in British West Africa when he receives word from his second-in-command that trouble always at a simmer in this jungle outpost is about to come to a boil. He rushes home, arriving just in time for a meeting of the chiefs of his territory who have been misled by an ambitious agitator named Bosambo into thinking that Sanders is dead. Sanders's return staves off rebellion, but Bosambo's power grab is not over yet. To keep the province from erupting into all-out tribal warfare, Sanders must outsmart the most brilliant chieftain in Africa. In these rip-roaring adventures, the heroic commissioner contends with malaria, ju-ju, and the whims of government officials safely ensconced in their London offices.
