

The background of the slide features a dramatic sunset or sunrise over a body of water. The sky is a mix of orange, red, and purple, with the sun low on the horizon. The water is dark and textured with ripples. In the foreground, the dark, curved back of a whale is visible, breaching the water. The overall mood is serene yet powerful.

[Studies in the Acts of the Apostles](#) Rick Strelan,2020-03-12 This collection of essays is indicative of the years of research that the author has devoted to the Acts of the Apostles In a very easy style some of the intriguing episodes in Acts are understood through the lens of ancient literature and the worldview that is reflected in it The intention is to try and read them as an early Christian might have heard them even if from a modern perspective that reading appears quite strange It is hoped that the modern reader might be intrigued and even inspired to read Acts again and so to explore its strange events and people even more deeply More broadly such an exploration might lead to an appreciation that all writings that many Christians now hold as inspired and authoritative are deeply embedded in an ancient cultural context

[The Swindoll Study Bible NLT](#) Tyndale,2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll s wit charm pastoral insight and wise biblical study directly to you as you study God s Word Chuck s warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible s message for the world today Reading each part of this study Bible is like hearing Chuck speak God s Word directly to your heart It will both encourage readers faith and

draw them deeper into the study of God's Word. In Chuck's own words: "This study Bible was designed with you in mind. As you read the Scriptures, imagine me sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible. Who wrote it and when? What does it mean and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living, for genuine life change. After all, that's why God has communicated His Word to us so that we may become like His Son, Jesus Christ, the central figure of this Book. Free app with purchase. App includes all content from The Swindoll Study Bible and can be used across multiple devices with your TeCarta app account. Available for iOS and Android. Free app applies to print editions only. The Expository Times, 1892. *Bible Characters* Beverly Carradine, 1907. *The Grotonian*, 1903. Jonah Miles Custis, 2014-09-29. As the old adage goes, you have to ask the right questions before you can get the right answers. And that's exactly what the Not Your Average Bible Study series helps you do. Rather than spoon-feeding you with individual facts, this study of Jonah coaches you on how to think through the text as a whole. Tested and proven in Bible Study Magazine, it's perfect for group and individual studies alike. Jonah was a rebel prophet. When God wanted him to preach a message of hope to Nineveh, a city in Assyria, Jonah traveled in the opposite direction. His story of failure shows us God's mercy both to the prophet and to a people who didn't deserve it. It reminds us of God's mercy to us and challenges us to be ambassadors of that mercy. Each section of the guide begins with a concise introduction providing context for the biblical passage. Next, you'll consider questions designed to prompt your own in-depth study. You'll also find specific prayer suggestions along with ideas for further research. Experience the joy of discovering biblical insights for yourself, then apply these lessons to your everyday life. This is not your average Bible study.
