The Spirit Of Scripture:

The Holy Spirit in the Bible George M. Smiga, 2022-11-15 Christian belief in the Holy Spirit as the Third Person of the Trinity was not officially defined by the church until the fourth century But centuries earlier the Hebrew Scriptures and the New Testament were already describing the action and presence of God's Spirit In The Holy Spirit in the Bible George Smiga unpacks key Scripture passages exploring the activity of the Spirit at creation within Israel in the ministry of Jesus and the early church and at the end of time The role of the Holy Spirit in our personal and spiritual lives is also explored Commentary study and reflection questions prayers and access to online lectures are included 6 lessons *The Person and Work of the Holy Spirit* R A Torrey, 2012-01-07 Dr R A Torrey 1856-1928 carefully defines the Holy Spirit and explains how we can come to know Him personally as an ever present loving friend and mighty helper He goes on to describe the work of the Spirit in the world and in the lives of Christians and offers a detailed study of baptism with the Spirit A true classic The Spirit of Jesus in Scripture and Prayer James W. Kinn, 2004 James Kinn offers a remarkable and new appreciation of the importance of the Holy Spirit in Christian theology and personal spirituality today By concentrating on the Holy Spirit in Scripture prayer and the Christian tradition Kinn is able to show how the Spirit becomes our personal contact with Christ and the one who continues the work of Christ in us Explicitly grasping the role of the Spirit can only lead to an enriched experience of the divine in our lives Spirit of the Living God Dale Moody, 1976 Souffle Et L'esprit de Dieu Thierry Maertens, 1966 Most Christians today have little appreciation of the role of the Spirit in our lives The Spirit has become for us the remote and rather puzzling third member of the Trinity But by returning to the Scriptures we hope to regain with the men of the Bible their vital awareness of God's holy breath For them the Spirit of God was the life he breathed into men and the power with which he inspired the prophets There was a growing expectation among the Israelite prophets of a new covenant God would make with his people by breathing a new spirit into them an expectation that was fulfilled at Pentecost We follow the continuing revelation of the Spirit throughout the letters of the Apostles the symbolic Gospels the infancy narratives and the writings of St John whose Gospel is known as the Gospel of the Spirit The Spirit of Life, Or, Scripture Testimony to the Divine Person and Work of the Holy Ghost Edward Henry Bickersteth, 1869 *Spirit, Scripture, and Theology, 2nd Edition* Roger Stronstad, 2019-05-14 *Grieving, Brooding, and Transforming: The Spirit, The Bible, and Gender*, 2021-08-30 *Grieving Brooding and Transforming The Spirit The Bible and Gender* is a collection of scholarly essays by Pentecostal women It explores troubling biblical texts as well as those of contemporary church life in regards to the portrayal of women The authors seek to identify the presence and work of the Spirit that is often hidden within the contours of these texts A Pentecostal feminist hermeneutic desires to move beyond suspicion into the deeper terrain of the Spirit's mission of grieving brooding and transforming a broken world The essays point to the purposes of God toward justice and the healing of creation

The Spirit of Christ Andrew Murray, 2010-03-01 Andrew Murray's writings were a cherished and vital part of his

ministry in Africa In this classic work Murray stresses the importance of one truth the Holy Spirit must be known by every believer as an indwelling life of spiritual power For Murray this indwelling is to be accepted and treasured until it becomes part of the consciousness of the believer As the Holy Spirit possesses us all of our lives even the least things must be surrendered to His leading If God s people can learn to wait on the Holy Spirit for divine leading and working placing ourselves entirely at His disposal there will be manifestations of the Spirit s power in the church such as the world has never known In *The Spirit of Christ* Murray covers all aspects of the Holy Spirit in the hope that God s glory will begin to work through His church in powerful ways that would be a witness for all the world In my observation of the lives of believers I have been very deeply impressed with one thought that our prayer for the mighty working of the Holy Spirit through us and around us can only be powerfully answered as His indwelling in every believer is more clearly acknowledged and lived out

Andrew Murray Reading Scripture in the Fellowship of the Spirit Trevor Reynolds,2019-02-19 How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture How does the fact that the Spirit is characterized by koinonia impact upon this task In light of this do we read Scripture with too much of an individualistic mindset In this new book Dr Trevor Reynolds addresses these questions seeking answers primarily from within Scripture itself He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit How did they interpret Scripture with the help of the Spirit He highlights their corporate Spirit led hermeneutic with its challenge to our individualistic approaches The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus own Spirit given example and legacy In this book New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit s help or speak of the Spirit s work of interpretation in a more general way Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine use and custodianship of Scripture in the life and witness of the church today The book concludes by pointing to the wide ranging implications that reading Scripture in the fellowship of the Spirit poses for today s church

LIVE in the SPIRIT Bob Benoit,2020-05-07 God says in Galatians 5 25 If we live in the Spirit let us also walk in the Spirit What does it mean to live in the Spirit Why does the Apostle Paul distinguish between living in the Spirit and walking in the Spirit And what is the opposite of living and walking in the Spirit Scripture explains Scripture So each lesson herein is a paragraph or two of Scripture in context sorted by theme where two or more of the words live flesh and or in the Spirit and their various synonyms appear in the same paragraph followed by four questions Each Scripture is in context but it is best if you also read what surrounds these verses The following are some of the Scriptures included in this Bible study on living in the Spirit To live in the Spirit is to live godly in Christ Jesus By the Spirit we cease from sin we put to death the deeds of the flesh and are led by the Spirit of God We do not walk according to the

flesh but according to the Spirit we walk in His ways Those who live according to the Spirit set their mind on the things of the Spirit for those who are in the flesh cannot please God We must not have confidence in the flesh In the Spirit we should be an example to those who believe in word in our way of life in love in faith and in purity We should trust in the Lord with all our heart lean not on our own understanding put our hope in the Lord and rest in hope To live in the Spirit is to be strong in the Lord and in the strength of His might to rejoice always in the Lord and worship God in the Spirit and truth to pray in the Spirit to take up the sword of the Spirit which is the word of God We should no longer live to ourselves but to the Lord and seek those things that are above where Christ is seated on the right hand of God We should persevere not be anxious but seek first the Kingdom of God We should put away our former way of life and put on the new man who is in the likeness of God And then walk in the newness of life Love the Lord our God obey His voice and cling to Him for He is our Life When we are living in the Spirit we know that we are abiding in Him and He in us because He has given us His Spirit The love of God abides in us God gives life to our mortal bodies through His Spirit who dwells in us The Spirit who lives with us and in us gives life He makes known to us the ways of life We died and our life is hidden with Christ in God We live through Him and God abides in us We are alive to God in Christ Jesus if we live according to the will of God walk in the Spirit and in the fruit of the Spirit The following are some other Bible studies similar to LIVE in the SPIRIT which are all part of the IN HIM series abide IN HIM and HIM IN us and bear fruit for without HIM nothing is possible and with HIM nothing is impossible abide IN Him and Him IN us the Christian walk Follow JESUS Part 1 1 43 Follow JESUS Part 2 44 83 All the times JESUS said I AM 84 147 Abide IN the WORD and the WORD IN YOU 1 59 DO the WORD coming soon PREACH the WORD coming soon Know the TRUTH 1 45 Walk IN the TRUTH 46 86 Discern SPIRIT and Flesh 1 24 Crucify the FLESH 25 58 Live IN the SPIRIT 59 95 Walk IN the SPIRIT 96 153 JESUS Abiding IN YOU 1 36 The SPIRIT of GOD IN YOU 37 70 Abide IN JESUS and IN HIS LOVE 71 129 Abide IN the LIGHT 1 33 Walk IN the LIGHT 34 64 There is LIFE IN CHRIST JESUS 1 40 Walk IN the NEWNESS of LIFE 41 86 Freedom IN CHRIST 1 50 Trust IN the LORD Part 1 1 50 Trust IN the LORD Part 2 51 99 Hope IN the LORD 100 157 The Power of the Spirit William Law,1896 The Spirit Says Ronald Herms,John R. Levison,Archie T.

Wright,2021-10-25 The Spirit Says offers a stunning collection of articles by an influential assemblage of scholars all of whom lend considerable insight to the relationship between inspiration and interpretation They address this otherwise intractable question with deft and occasionally daring readings of a variety of texts from the ancient world including but not limited to the scriptures of early Judaism and Christianity The thrust of this book can be summed up not so much in one question as in four o What is the role of revelation in the interpretation of Scripture o What might it look like for an author to be inspired o What motivates a claim to the inspired interpretation of Scripture o Who is inspired to interpret Scripture More often than not these questions are submerged in this volume under the tame rubrics of exegesis and hermeneutics but they rise in swells and surges too to the surface not just occasionally but often Combining an assortment of prominent voices this book

does not merely offer signposts along the way It charts a pioneering path toward a model of interpretation that is at once intellectually robust and unmistakably inspired **A Commentary on the Holy Scriptures: Psalms** Johann Peter Lange,1900 [A Compendium of Evangelical Theology Given in the Words of Holy Scripture. By W. Passmore ,1873](#)

[Open to the Spirit](#) Scot McKnight,2018-04-03 World renowned New Testament scholar offers a straightforward examination of what the Bible says about the Holy Spirit Who exactly is the Holy Spirit What does he do in our lives How can we know him more deeply and is it possible to tap into his power Should we pray to the Holy Spirit Is it possible to be aware of his promptings and speaking into our lives Dr Scot McKnight answers these questions and more in this comprehensive examination of what the Bible says about this divinely important but often confusing member of the Trinity This is the third work in a three part series examining some of the more mysterious components of the Christian faith Scot s The Heaven Promise examines the afterlife The Hum of Angels elucidates the Bible s teaching on God s supernatural messengers and protectors Now Open to the Spirit examines the most mysterious member of the Trinity Scot blogs at Patheos a large multi perspective blog format It serves many influential voices from many faith and non faith traditions Scot s blog draws primarily a Christian readership one that is looking for intellectual engagement and thoughtful analysis of Scripture Theology and Culture [Spirit Scripture and Theology](#) Roger Stronstad,2018-10-05 This new edition Spirit Scripture and Theology originally published by APTS Press in 1995 is presented here again with a new chapter on prophecy Thanks to digital technology that was not available then this valuable book can now be made available to a much broader audience This book develops in greater measure the ideas that Roger set forth in his well received book The Charismatic Theology of St Luke 1984 Those ideas include Luke s theological purpose the theological significance of biblical narrative and the vocational nature of the Spirit s empowering in the Lukan corpus He also discusses the unity and diversity within the New Testament especially the ways in which the Lukan Johannine and Pauline corpuses contribute to a holistic theology of the Spirit Luke s distinctive pneumatology on service is also featured in comparison the pneumatologies of John and Paul Finally he concludes this new edition with a new chapter on the Rebirth of Prophecy This book is yet another reason why Roger Stronstad must rightly be regarded one of the most influential Pentecostal scholars of our generation **The Spirit with Our Spirit** Witness Lee,2025-03-14 The revelation of the Spirit in the Bible points to God s desire to be received experienced and enjoyed by man The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God Through faith in Christ our human spirit is born of the Holy Spirit we are joined to the Lord as one spirit and the Spirit witnesses with our spirit that we are the children of God In The Spirit with Our Spirit Witness Lee presents a deep enlightening yet wonderfully practical view of the believers experience of God in the New Testament By presenting a complete scriptural view of both the divine Spirit and the human spirit Lee shows that genuine spiritual experience is not a

matter of outward behavior or conformity to a set of rules and regulations Rather genuine spirituality comes from knowing the Spirit who is with our human spirit God s desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit The Spirit with Our Spirit is an invaluable guide in this learning process *The Spirit of Christ* Andrew Murray,2004-10-15 **The Authority of Holy Scripture** Charles Augustus Briggs,1891
