The Splendour

Apollonius (Rhodius.)

The Splendour:

Jesus in the Manichaeon Writings Majella Franzmann, 2003-11-01 Manichaeism was a dualistic religious system with Christian Gnostic and pagan elements founded in Persia in the third century by Manes This is the first full length study of the Manichaeon Jesus since the publication of several major Manichaeon texts such as the Homilies Psalm Book and Kephalaia in the 1930s and 1940s A knowledge of Manichaeon Christology is important for any understanding of the development of Christologies in the early centuries CE whether within mainstream Christianity or within associated heretical groups This book undertakes a comprehensive study of six distinct figures of Jesus that can be found in both Eastern and Western Manichaeon literature Previous partial studies of Manichaeon Christology have tended to restrict their focus to texts from either Eastern or Western traditions alone Majella Franzmann argues that a single Manichaeon Jesus can be discerned behind the many different representations to be found
