stuff of great literature The New York Times Red or Dead is a winner The Washington Post The place where the swinging
sixties started Liverpool England birthplace of the Beatles wasn't so swinging Amid industrial blight and a bad economy the
port town's shipping industry was going bust and there was widespread unemployment with no assistance from a
government tightening its belt Even the Beatles moved to London Into these hard times walked Bill Shankly a former Scottish
coal miner who took over the city's perpetually last place soccer team He had a straightforward work ethic and a favorite
song a silly pop song done by a local band You'll Never Walk Alone Soon he would have entire stadiums singing along tens of
thousands of people all dressed in the team color red as Liverpool began to win And soon too there was something else those

stirring story of the real life working class hero who lifted the spirits of an entire city in turbulent times But Red or Dead is
