## **Sprite And Coffee Pot:**

*Sprite ; And, The Coffee Pot* Théophile Gautier,1995 This volume provides his first piece of fantastical prose The Coffee Pot and his last *Sprite* The latter may seem something of a sequel to the former continuing to chart a path of male erotic fantasy but the combination is of greater value for making visible some of the consistencies and evolutions of Gautier's oeuvre as a whole

**The Urban Fantastic in Nineteenth-Century European Literature** Patricia García,2022-01-17 The *Urban Fantastic in Nineteenth Century European Literature* explores transnational perspectives of modern city life in Europe by engaging with the fantastic tropes and metaphors used by writers of short fiction Focusing on the literary city and literary representations of urban experience throughout the nineteenth century the works discussed incorporate supernatural occurrences in a European city and the supernatural of these stories stems from and belongs to the city The argument is structured around three primary themes Architectures Encounters and Rhythms make reference to three axes of city life material space human encounters and movement This thematic approach highlights cultural continuities and thus supports the use of the label of urban fantastic within and across the European traditions studied here

**Paris Noir** Jacques Yonnet,2011-03-16 In *Paris Noir* Yonnet tells is about some of the darker quarters of Paris on the left bank of the Seine centred on the place Mauberge and the rue Mouffetard as seen from his own experience It is mainly written during the 1940s under the Occupation and in the immediate post war period there is a certain amount dealing with the resistance but the main thrust of the book is a Paris that existed between the wars and is well known from the film noir but has since disappeared It concentrates on the people rather than places a mixture of ordinary workers tradesmen artists con men and criminals It invests the area with a sense of mystery including occasional supernatural events it is extremely well written often using the language of the inhabitants of the area Raymond Queneau considered it the greatest book ever written about Paris For *Dedalus* it is the perfect counterfoil for J K Huysmans' *Parisian Sketches* which *Dedalus* published in 2004 which showed the darker side of Paris pre Haussman's big boulevards Among the books you must read before you die is *Paris Noir* by Jacques Yonnet Raphael Sorin Concentrating on the seedy area around Rue Mouffetard which becomes La Mouffe in a typically Parisian abbreviation Yonnet reveals the dark side of the City of Light in the 1940s in this secret history of a city The street life of the Left Bank ticks on much as normal during the Occupation though L opoldie the tart stops turning tricks because the green German uniform does not suit her complexion Keep on Dancin the killer with a fondness for history rules the roost Though describing himself as sceptical disillusioned cynical Yonnet casually dispatches a traitor in the Resistance This is film noir in book form Christopher Hirst in *The Independent*

**La-Bas** J.-K. Huysmans,2011-02-19 Huysmans' novel though it is clearly rooted in the preoccupations of the late 19th century is remarkably prophetic about the concerns of our own recent fin de siècle With its allusions to amongst other things Satanic child abuse alternative medicine New Age philosophy and female sexuality the novel has clearly a lot to say to a contemporary audience As with most of Huysmans'

books the pleasure in reading is not necessarily from its overarching plot line but in set pieces such as the extraordinary sequences in which Gilles de Rais wanders through a wood that suddenly metamorphoses into a series of copulating organic forms the justly famous wood painting of Matthias Grunewald's Crucifixion altar piece or the brutally erotic scenes crackling with sexual tension between Durtal and Madame Chantelouve If it is about anything La Bas is about Good and Evil This enlightening new translation will be especially useful to students of literature Not only does it contain an introduction that puts Huysmans in context for those who are new to his work it also includes extensive notes to unlock the mass of obscure words that litter the text and references to a vast array of scientists false messiahs and misfits whose ideas went into the concoction of this strangely fascinating book Beryl Bainbridge in *The Spectator* This novel is one of the key texts of the Decadent movement of the 1890s and writhes with satanists occultists incubi male demons succubi female demons and intellectuals Sophia Martelli in *The Observer* This Gothic shocker is not for the faint hearted Jerome Boyd Maunsell in *The Times* The classic tale of satanism and sexual obsession in nineteenth century Paris in an attractive new edition The novel's enervated anti hero Durtal is writing a book about Gilles de Rais child murderer and comrade in arms of Joan of Arc When he's not swotting up on alchemy visiting Rais ruined castle and fantasising about a mystery woman he is pondering Catholicism with his friends But his sexual adventures and historical studies mesh when he's invited to witness a black mass Strong meat for diseased imaginations *Time Out* [The Best New Horror 7](#) Stephen Jones,2014-01-31 The Best New Horror has established itself as the world's premier annual showcasing the talents of the very best writers working in the horror and dark fantasy field today In this latest volume the multi award winning editor has once again chosen more than twenty terrifying tales of supernatural fear and psychological dread by some of the most acclaimed authors working in the genre Along with the most comprehensive review of the year and a fascinating necrology this is the book no horror fan can afford to miss *Portrait Stories* Michal Peled Ginsburg,2014-12-15 What makes stories about portraits so gripping and unsettling *Portrait Stories* argues that it is the ways they problematize the relation between subjectivity and representation Through close readings of short stories and novellas by Poe James Hoffmann Gautier Nerval Balzac Kleist Hardy Wilde Storm Sand and Gogol the author shows how the subjectivities of sitter painter and viewer are produced in relation to representations shaped by particular interests and power relations often determined by gender as well as by class She focuses on the power that can accrue to the painter from the act of representation often at the expense of the portrait's subject while also exploring how and why this act may threaten the portrait painter's sense of self Analyzing the viewer's relation to the portrait she demonstrates how portrait stories problematize the very act of seeing and with it the way subjectivity is constructed in the field of vision *The Experience of the Night* Marcel Béalu,1997 One of the great works of Twentieth Century Literary Fantasy *The Experience of the Night* was published in the last year of The Second World War It became a cult novel amongst the surrealists gaining an almost mythic status as the masterpiece of the French Kafka It inhabits a nighttime world where

dream and reality are indistinguishable A novel about vision dream and reality Its hero is the human eye and Marcel Adrien He sees the sign of an ophthalmologist and enters to inquire about having his eyes tested and finds that he is expected Dr Fohat has files on his future clients and diagnoses myopia and prescribes dark glasses and a treatment of pills to be taken after twelve hours of work on an empty stomach
