Source Music In Motion Pictures:

Source Music in Motion Pictures Irene Kahn Atkins,1983 This book discusses what the author calls source music She defines it as music the origin of which is visually justified on the screen as for example to see and hear someone playing the piano in a film This discussion includes the history of its use in films special types of source music and the source music sequence

Source Music in Motion Pictures Irene Kahn Atkins,1983 This book discusses what the author calls source music She defines it as music the origin of which is visually justified on the screen as for example to see and hear someone playing the piano in a film This discussion includes the history of its use in films special types of source music and the source music sequence

Music, Movies, Meanings, and Markets Morris Holbrook,2012-01-25 Music Movies Meanings and Markets focuses on macromarketing related aspects of film music in general and on the cinemusical role of ambi diegetic jazz in particular The book examines other work on music in motion pictures which has dealt primarily with the traditional distinction between nondiegetic film music background music that comes from off screen and is not audible to the film s characters to further the dramatic development of plot character or other themes and diegetic music source music produced on screen and or that is audible to the film s characters adding to the realism of the mise en sc ne without contributing much to other dramatic meanings This book defines describes and illustrates another hitherto neglected type of film music ambi diegetic film music which appears on screen but which contributes to the dramatic development of plot character and other themes Consistent with an interest in macromarketing such ambi diegetic film music serves as a kind of product placement suitable for commercialization via the cross promotion of soundtrack albums for example and plays a role in product design It also provides one type of symbolic consumer behavior that indicates choices made by film characters when playing singing listening or dancing in ways that reveal their personalities or convey other cinemusical meanings Morris Holbrook argues that ambi diegetic film music sheds light on various social issues such as the age old tension between art and entertainment as it applies to the contrast between creative integrity and commercialization Music Movies Meanings and Markets explores the ways in which ambi diegetic jazz contributes to the development of dramatic meanings in various films many of which address the art versus commerce theme as a central concern

Music Editing for Motion Pictures Milton Lustig,1980 Music Editing for Motion Pictures covers the functions and responsibilities of the music editor in the making of a motion picture whether for television or theatrical release and in any form where music is used and needed The author has intended this book to be immediately useful not only for potential music editors but also for composers and arrangers who are interested in motion picture music Those involved in motion picture production will find the work of immense interest as they must all interact with music editors and composers A composer writes the music for a film but actually has very little if anything to do with incorporating the music into the production Music Editing for Motion Pictures fully describes the music editor s responsibilities from assignment to a particular motion picture until after the final dubbing Charts graphs seven important
