North Carolina State College. Agricultural Experiment Station,1929 **Do Running Mates Matter?** Christopher J.
Devine,Kyle C. Kopko,2020-05-15 The American vice presidency as the saying goes is not worth a bucket of warm spit Yet
vice presidential candidates many people believe can make all the difference in winning or losing a presidential election Is
that true though Did Sarah Palin for example sink John McCain s campaign in 2008 Did Joe Biden help Barack Obama win Do
running mates actually matter In the first book to put this question to a rigorous test Christopher J Devine and Kyle C Kopko
draw upon an unprecedented range of empirical data to reveal how and how much running mates influence voting in
presidential elections Building on their previous work in *The VP Advantage* and evidence from over 200 statistical models
spanning the 1952 to 2016 presidential elections the authors analyze three pathways by which running mates might
influence vote choice First of course they test for direct effects or whether evaluations of the running mate influence vote
choice among voters in general Next they test for targeted effects if that is running mates win votes among key subsets of
voters who share their gender religion ideology or geographic identity Finally the authors examine indirect effects that is
whether running mates shape perceptions of the presidential candidate who selected them which in turn influence vote
choice Here in this last category is where we see running mates most clearly influencing presidential voting especially when
it comes to their qualifications for holding office and taking over as president if necessary Picking a running mate from a key
voting bloc probably won t make a difference the authors conclude But picking an experienced well qualified running mate
will make the presidential candidate look better to voters and win some votes With its wealth of data and expert analysis this
finely crafted study the most comprehensive to date finally provides clear answers to one of the most enduring questions in
presidential politics can the running mate make a difference in this election Railway News, Finance and Joint-stock
