Southern Legacy:

Southern Legacy Jerri Hines, 2017-01-27 Now the bestselling serial is under one title SOUTHERN LEGACY Including Belle of Charleston Shadows of Magnolia Born to Be Brothers and the dramatic conclusion The Sun Rises Set against the backdrop of Antebellum Charleston with the martial clash of brother against brother looming on the horizon here is an absorbing tantalizing saga of life during one of our country's most turbulent times Southern Legacy Series In a world of pageantry and show the Montgomery family accepts the way of life that has been antebellum Charleston for over a hundred years Two cousins the handsome and debonair Wade Montgomery and the bold and brooding Cullen Smythe were born to be brothers Raised as Southern gentlemen their character could never be questioned loyalty honor duty to one's country God and family It was the tie that binds until their bond is threatened not only by the cry for secession but by a woman Josephine Buchanan Wright Josephine Buchanan Wright is a dutiful southern belle Her future seems fated to the two Montgomery cousins until all she has placed her faith in falls apart As her life spirals out of control she tries desperately to cling to the honor and duty that has been instilled in her But how can she do so when all she has known is no more *Hodding Carter*

Ann Waldron, 1993-03-01 Using his little daily paper to battle for equality before the law and an end to the mistreatment of black people Hodding Carter took on the power structure of the state of Mississippi Castigated by politicians denounced by his fellow editors threatened with economic reprisal and physical violence he drew the wrath of everyone from the country club to the crossroads store What kind of man was this who stuck to his guns for what he believed in the face of anger and vitriol destestation and denuciation Ann Waldron tells the story of a colorful complex combative man who in his college years was an outspoken white supremacist but later changed his mind spending the bulk of his life advocating for racial justice and finding himself on the unpopular sides of many political and social issues No uncritical eulogy this book re creates the passionate life public and private of a flawed but authentic American hero *Southern Reporter*, 1889 Includes the decisions of the Supreme Courts of Alabama Florida Louisiana and Mississippi the Appellate Courts of Alabama and Sept 1928 Jan 1929 Jan Mar 1941 the Courts of Appeal of Louisiana *The Southern Reporter*, 1920 **Flashes of a Southern Spirit** Charles Reagan Wilson, 2011-05 Flashes of a Southern Spirit explores meanings of the spirit in the American South including religious ecstasy and celebrations of regional character and distinctiveness Charles Reagan Wilson sees ideas of the spirit as central to understanding southern identity The South nurtured a patriotic spirit expressed in the high emotions of Confederates going off to war but the region also was the setting for a spiritual outpouring of prayer and song during the civil rights movement Arguing for a spiritual grounding to southern identity Wilson shows how identifications of the spirit are crucial to understanding what makes southerners invest so much meaning in their regional identity From the late nineteenth century invention of southern tradition to early twenty first century folk artistic creativity Wilson examines a wide range of cultural expression including music literature folk art media representations and religious imagery He finds new meanings in

the works of such creative giants as William Faulkner Richard Wright and Elvis Presley while at the same time closely examining little studied figures such as the artist revivalist McKendree Long Wilson proposes that southern spirituality is a neglected category of analysis in the recent flourishing of interdisciplinary studies on the South one that opens up the cultural interaction of blacks and whites in the region

Why White Liberals Fail Anthony J. Badger,2022-06-14 Anthony Badger explains why liberal campaigns for race neutral economic policies failed to win over white Southerners When federal programs did not deliver the economic benefits that white Southerners expected the appeal of biracial politics was supplanted by the values based lure of conservative Republicans

Southern and Postcolonial Perspectives on Policing, Security and Social Order Roxana Pessoa Cavalcanti,Peter Squires,Zoha Waseem,2024-11-12 Postcolonial legacies continue to impact upon the Global South and this edited collection examines their influence on systems of policing security management and social ordering Expanding the Southern Criminology agenda the book critically examines social harms violence and war crimes human rights abuses environmental degradation and the criminalization of protest The book asks how current states of policing came about their consequences and whose interests they continue to serve through vivid international case studies including prison struggles in Latin America and the misuse of military force Challenging current criminological thinking on the Global South the book considers how police and state overreach can undermine security and perpetuate racism and social conflict
