The Secrets Out:

The Secrets Women Keep Dr. Jill Hubbard, 2008-09-09 Women keep secrets from friends and loved ones even from themselves So what are the secrets And why would anyone want to live an airbrushed version of herself instead of a rich unencumbered authentic life In *The Secrets Women Keep* popular radio host and clinical psychologist Dr Jill Hubbard shows you how to acknowledge your secrets release them and find an emotionally healthy way to live A life without secrets is a life of freedom where you can be your real self where you are the same on the outside as you are on the inside *The Secrets Women Keep* reveals the top secrets from an anonymous Life Satisfaction Survey of two thousand women Most women can relate to at least some of the secrets uncovered in this survey including I m unhappy in my marriage I feel invisible or inadequate My past haunts me I worry about finances I struggle with addiction With wisdom gentleness and biblical insight Dr Jill reveals how to shed those secrets so you can move safely into a life free of the burden of having to hide **Secrets Kept Out Loud** Phanest Retracie, 2020-04-02 Abuse produces shame shame makes us hide hiding leads to secrets secrets hidden in shame gives birth to *Secrets Kept Out Loud* When we are victims of abuse or traumatic experience we try to hide it from the world The more we hide the more we are convinced we are keeping our secrets The longer the secrets are kept the louder they get not through sound although definitely within the confounds of our minds but are manifested through our actions inactions behaviors perceptions decisions impulsiveness fears and at worst paranoias *Secrets Kept Out Loud* or what I call SKOLs much like skull because SKOLs can zombify you looking like there is life on the outside but no life on the inside SKOLs are birthed the moment you experience a traumatic experience your brain cannot process they are manifested the moment you decide to keep it a secret SKOLs make you feel as though you cannot love or be loved like something is wrong with you they criticize you ostracize you ridicule you and keep you stuck unable to move forward or backward But this is not the end of your story My book will give you insight on how to regain your power over your SKOLs to manage them and to live and love again In the book you will learn about the TOSS triangle which consists of Awareness Communication and Trust That s right If you act now you will be able to regain what was once lost through abuse or trauma I do not make claims that you will be able to forget or undo your trauma Unfortunately it will live with us for the rest of our lives however it doesn t have to rule our lives Take control today *Mysteries of Trash and Treasure: The Secret Letters* Margaret Peterson Haddix, 2022-09-20 In this page turning middle grade series by New York Times bestseller Margaret Peterson Haddix Colin and Nevaeh whose parents own rival junk removal businesses uncover mysteries hidden in attics and basements and discover how trash can become treasure In *The Secret Letters* Colin and Nevaeh find vintage letters that lead to interlocking mysteries from the 1970s and 80s and they learn about women s lib the ERA and other social issues from that time in history and the way echoes from that era affect Colin and Nevaeh themselves When Colin finds a shoebox full of letters hidden in a stranger s attic he knows he s supposed to throw them away That s his summer job getting rid of junk But Colin wants to

rescue the letters and find out what really happened to best friends Rosemary and Toby way back in the 1970s Meanwhile across town Nevaeh also finds a mysterious letter But this one reads like a confession to a crime And Nevaeh knows her father the Junk King expects her to join the rest of the family in blaming a single suspect his business rival Colin s mom But that s not what Nevaeh wants either Even as one set of letters bring Colin and Nevaeh together the one Nevaeh found threatens to tear them apart Is their new friendship as doomed as Rosemary and Toby s Each book in the Mysteries of Trash and Treasure series will examine a different time period in history and make readers think about how we value the stuff we hold on to and what it is that makes it valuable

The Secret in Medieval Literature Albrecht Classen,2022-10-17 The Secret in Medieval Literature Alternative Worlds in the Middle Ages explores the many strange phenomena both in the Middle Ages and today that do not find any good rational explanations Those do not pertain to magic or to religion in the traditional sense of the word they are secrets of an epistemological kind and tend to defy human rationality without being marginal or irrelevant At first sight we might believe that we face elements from fairy tales but the medieval cases discussed here go far beyond such a simplistic approach to the mysterious dimension of secrets In fact as this book argues medieval poets commonly engaged with alternative forces and described their workings within the human context both in the Latin West and in the East without being able to come to terms with them critically Those mysteries appear both in heroic epics and courtly romances among other genres and they figure more frequently than we might have assumed On the one hand we could conceive of those secrets as the product of literary liberties and imagination on the other those secrets prove to be rather serious agents intervening in the lives of the fictional protagonists By the same token our modern world is not all rationality and material conditions either The study of secrets in the Middle Ages thus opens the pathway toward a new epistemology both for the people in the pre modern age and us today
