Das,Mr.Michael G Papaioannou,Christoph Trebesch,2012-08-01 This paper provides a comprehensive survey of pertinent issues on sovereign debt restructurings based on a newly constructed database This is the first complete dataset of sovereign restructuring cases covering the six decades from 1950 2010 it includes 186 debt exchanges with foreign banks and bondholders and 447 bilateral debt agreements with the Paris Club We present new stylized facts on the outcome and process of debt restructurings including on the size of haircuts creditor participation and legal aspects In addition the paper summarizes the relevant empirical literature analyzes recent restructuring episodes and discusses ongoing debates on crisis resolution mechanisms credit default swaps and the role of collective action clauses Federal Register ,1988-06-07

Pamphlet Carnegie Endowment for International Peace. Division of International Law,1921 Sovereign Financing and International Law Carlos Espósito,Yuefen Li,Juan Pablo Bohoslavsky,2013-10-03 The regulation of sovereign financing is a highly topical and significant issue in the light of continuing global financial turmoil This book assesses the role of international law in sovereign financing addressing this issue from both legal and economic standpoints It takes as a starting point the recent report Principles on Responsible Sovereign Lending and Borrowing by the United Nations Conference on Trade and Development UNCTAD This report was endorsed by the United Nations General Assembly in its December 2011 Resolution on Debt which emphasized the need for creditors and debtors to share responsibility for preventing unsustainable debt situations and encouraged all stakeholders to pursue the ongoing discussions within the framework of the UNCTAD

Initiative Investigating the legal and economic basis for the principles which were articulated in the report the book develops a detailed and nuanced analysis of the controversial and complex issues they raise including those concerning finance and credit rating agencies contingent liabilities debt management corruption fiduciary relations and duties Collective Action Clauses and the role of the EU and UN Ultimately it argues that the principles elaborated in the report correspond with general principles of international law which provide a strong pre existing foundation upon which to build responsible principles for sovereign financing
