...time and applies to so many people. Too often they get so frustrated about their past and are unable to follow. There's a saying, "Face the music." That's what you should do with your past. Depending on what you need to forgive yourself for, it may take years, but if you confront it head on, it won't automatically impact your entire life in a negative way. It's about the present instead of the past. A terrible mistake is to let the weight of the past be the reason the weight of the future is bigger than the future looking forward!
