

# A BIOGRAPHICAL DICTIONARY OF THE SOVIET UNION 1917–1988

BY JEANNE VRONSKAYA  
WITH VLADIMIR CHUGUEV

# Soviet Union A Biographical Dictionary

**Jeanne Vronskaya, Vladimir Chuguev**

## **Soviet Union A Biographical Dictionary:**

The Soviet Union Archie Brown,1990     *The Soviet Union* Archie Brown,1990     *The Biographical Dictionary of the Former Soviet Union* Jeanne Vronskaya,Vladimir Chuguev,1992 Formerly titled Biographical Dictionary of the Soviet Union this vast and invaluable reference features personal profiles on some 6 700 individuals that have been created from both unofficial and official sources including personal interviews with well known former Soviet citizens such as Russian

*Biographical Dictionary of Dissidents in the Soviet Union, 1956-1975* E.J. Driessen,H.L. Verhaar,S.P. de Boer,2024-11-25

**Who Was Who in the Soviet Union** Ulrich J. Schulz-Torge,1992     Who was who in the Soviet Union Ulrich-Joachim Schulz-Torge,1992 A reference work in two volumes which provides statistical information on over 2000 leading personalities in the political military and administrative hierarchy of the Soviet Union Volume one offers a chronological list of officials and volume two gives biographical details

**Who's who in the USSR** Heinrich E. Schulz,Stephen S. Taylor,Institut zur Erforschung der UdSSR (München),1965

**A Biographical Dictionary of the Soviet Union, 1917-1988** Jeanne Vronskaya,Vladimir Chuguev,1989

**Who's who in the USSR, 1961/62. A Biographical Dictionary Containing about 4000 Biographies of Prominent Personalities in the Soviet Union** Institute for the Study of the USSR (Munich),1962

*Who's who in the USSR, 1961/1962* Heinrich E. Schulz,Stephen S. Taylor,1962

**Biographical Dictionary of Dissidents in the Soviet Union 1956-1975** ,1982

*Who's who in the USSR 1961/62* Heinrich E. Schulz,Stephen S. Taylor,1962

Who's who in the USSR, 1961/1962 ,1962

**Biographical Dictionary of Russian/Soviet Composers**

Allan Ho,Dmitry Feofanov,1989-12-06 This reference work is certainly a valuable addition to the study of Russia and its music The dictionary is of course a must for academic and large public libraries or any library where research is done Reference Quarterly This important new biographical dictionary is the most comprehensive single volume work on Russian and Soviet composers published outside of the Soviet Union to date Incorporating contributions by a distinguished group of performers musicologists and other scholars including many specialists in Russian music it provides detailed up to date information on over 2 000 composers the majority of whom are not represented in other English language references Entries vary from brief profiles of lesser known figures to lengthy articles on major Russian and Soviet composers Each of the longer essays summarizes current scholarship on the composer offers new insights and complements or corrects coverage available in standard music references Commentary on musical style is presented in most entries and musical influences are clarified through careful documentation of teacher student relationships The biographical section is followed by a selective list of compositions arranged according to media and genre The accompanying bibliography lists works consulted as well as sources of additional information on the individual composer and an international discography documents the breadth of the repertory committed to phonodisc tape and compact disc Thorough cross referencing facilitates the location of materials Reflecting meticulous research and including first hand information supplied by living Soviet composers this work makes a

significant contribution to music scholarship This book is recommended for library reference shelves and courses in Russian music Soviet Security and Intelligence Organizations 1917-1990 Michael Parrish,1992-01-30 One of the hallmarks of the Soviet system was its heavy reliance on internal and foreign security and intelligence organizations Not surprisingly given the secrecy surrounding Soviet efforts in these areas no biographical reference tools and few bibliographies have been published to date In this context Michael Parrish s work is a unique undertaking In the first section to the volume biographies are provided on some 4 000 officials in senior and mid level positions who had served in Cheka NKVD RFSFR GPU KGB and other organizations Also included are officials of the Committee for State Control formerly Ministry of State Control and before that Commissariat of Workers and Peasants Inspection Prominent political personalities with earlier ties to security services such as N A Bulganin are listed even though such service formed only a brief part of their careers Others listed include party officials such as A A Kuznetsov who at different times served as the Party s watchdog of security organs Also included because of their close association with repression and security organs are members of Stalin s inner circle The second part of the volume is a survey of books in English published between 1917 and 1990 which related to Soviet security and intelligence organizations This is followed by a biographical addendum a glossary of terms and material showing the development of Soviet security organizations No one concerned with current intelligence issues and the role of security organizations in Soviet life can ignore this volume **The Bibliographical Dictionary of Russian and Soviet**

**Economists** Robert Campbell,2012-08-21 Despite the restrictions on their work and actions the economists of the Soviet period produced a great deal of bold and important work With the erosion of the old Stalinist controls economists in the Soviet Union themselves became very interested in the history of their profession not least in order to find authentic voices that might offer reinforcement or counterpoint to the policy analyses and recommendations with which policy makers in the transition countries are today being bombarded This major new reference work pulls together many years of research in order to present a bio bibliographic dictionary of Russian and Soviet economists many of whom have previously had no coherent record compiled of their careers achievements and wider significance Through exploring this rich tradition of economic thought we can go some way in understanding the role of economists in the functioning of the Soviet system as well as bringing previously forgotten work to light raising new questions and providing a memorial to those who suffered as a result of the system This hugely detailed and important new volume takes into account all the nuances of the story of Russian and Soviet economic thought such as regional issues the reform and transition to a market economy and the economic output of non economists Featuring nearly 500 entries and including a detailed contextual introduction this landmark volume will be a vitally important reference work for all those with an interest in the history of economic thought the history of economics and Russian and Soviet history more generally Soviet Security and Intelligence Organizations, 1917-1990 Michael Parrish,1991 Guide to Reference in Genealogy and Biography Mary K. Mannix,Fred Burchsted,2015-01-14 Profiling more

than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography **Biographical Dictionary of the Left** Francis Xavier Gannon,1973

Biographical Dictionary of the American Left Bernard K. Johnpoll,Harvey Klehr,1986-09-05 a collection of essays on some 275 individuals including important figures from the 19th century and a few from the New Left most of them about 75 percent born between 1870 and 1920 and prominent in the major left wing organizations of the first half of the 20th century
