## Space Garbage:

**Space Garbage** Ruth Owen,2014-12-15 Are people in danger of being hit by falling space garbage Readers find the answer as they learn about what space garbage is and how it could affect other objects in space and people on Earth Through comprehensive text readers learn about the many kinds of space garbage including pieces of rockets They also find fact boxes designed to give them even more information about space garbage This otherworldly problem is shown in vivid detail through amazing photographs Readers will be excited to learn about space through a closer look at the garbage orbiting Earth

**What Is Space Junk?** Todd Swatling,2018-07-15 Every generation is filled with the wonder of what's out there beyond our planet making space travel and exploration one of the most popular science topics of all time But what happens to all that stuff we send up into outer space Does it come back down to Earth or stay up there forever This exciting high interest topic attracts even reluctant readers to read about STEAM topics Fact boxes add extra information that's out of this world throughout the book Each spread is complemented with vivid NASA photography

**Garbage in Space** Margaret J. Goldstein,2017-08-01 Audible eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience Did you know that companies and governments send more than one hundred satellites into space every year And that most of those satellites continue to orbit Earth even after they have stopped working More than 500 000 old satellites pieces of metal and other bits of junk currently pollute Earth's orbit And that number is growing Astronomers engineers and politicians all agree that the future of space exploration is in danger if this debris isn't taken care of But the problem of garbage in space is difficult and expensive to solve In this book learn more about this problem and its potential solutions

**Space Junk** Judy Donnelly,Sydelle Kramer,1990 Discusses the miscellaneous junk floating in space how it got there what effects it can have and what can be done about it

**Space Junk** Karen Romano Young,2016-01-01 Scientists have identified at least 100 million pieces of space debris from paint chips to nonoperational zombie satellites floating in Earth's orbit And over 100 tons of those pieces enter Earth's atmosphere each year Journey into outer space and learn about the dangers of space junk collisions how scientists track them and how space agencies are working to develop new technologies to clean up the space junk Along the way you'll hear from the scientists who are working to ensure that outer space remains a safe place to travel and explore If we don't tackle the space junk problem it might be impossible to travel into space it could even trap us on Earth

**Trash Revolution** Erica Fyvie,2018-04-03 Think you know all about how your stuff impacts the environment Think again Where did all our stuff come from And where does it go when we're done with it Kids find out by tracking the life cycles of typical items in a school backpack water food clothing paper plastic metals and electronics Though they all end as waste there are lots of decisions to be made along the way And kids will see that there's an important constructive role they can play by making choices that are good for them and for the planet A cotton T shirt A plastic water bottle A cell phone Kids will never look at their stuff the same way again
