Spaniards Gift:

Dealing with an International Clientele: Communications, Diplomacy and Etiquette Meri Meredith, 2005-09-22 This book is aimed at all librarians and information professionals working in culturally diverse environments whether in an academic public or commercial setting It addresses the issues of communication diplomatic etiquette and common courtesies from a wide range of cultures and of how to provide library services across cultural boundaries and languages Each chapter clearly defines a different aspect and provides clear guidance and strategies for librarians to follow in their everyday work The book is packed with advice on how to deal with many of the situations which arise as the result of different cultural backgrounds and language

Contesting the Borderlands Deborah Lawrence, Jon Lawrence, 2016-04-28 Conflict and cooperation have shaped the American Southwest since prehistoric times For centuries indigenous groups and later Spaniards French and Anglo Americans met fought and collaborated with one another in this border area stretching from Texas through southern California To explore the region's complex past from prehistory to the U S takeover this book uses an unusual multidisciplinary approach In interviews with ten experts Deborah and Jon Lawrence discuss subjects ranging from warfare among the earliest ancestral Puebloans to intermarriage and peonage among Spanish settlers and the Indians they encountered The scholars interviewed form a distinguished array of archaeologists anthropologists ethnohistorians and historians Juliana Barr Brian DeLay Richard and Shirley Flint John Kessel Steven LeBlanc Mark Santiago Polly Schaafsma David J Weber and Michael Wilcox All speak forthrightly about complex and controversial issues and they do so with minimal academic jargon and temporizing bringing the most reliable information to bear on every subject they discuss Themes the authors address include the origin and scope of conflicts between ethnic groups and the extent of accommodation cooperation and cross cultural adaptation that also ensued Seven interviews explore how Indians forced colonizers to modify their behavior All of the experts explain how they deal with incomplete or biased sources to achieve balanced interpretations As the authors point out no single discipline provides a complete accurate historical picture Spanish documents must be sifted for political and ideological distortion the archaeological record is incomplete and oral traditions erode and become corrupted over time By assembling the most articulate practitioners of all three approaches the authors have produced a

book that will speak to general readers as well as scholars and students in a variety of fields
