Celebrated Characters of Antiquity, Etc. [By J. Ritson.]** Joseph Ritson, 1785      *The Spartan Manual*, 1785      Spartans: A Captivating Guide to the Fierce Warriors of Ancient Greece, Including Spartan Military Tactics, the Battle of Thermopylae Captivating History, 2019-03-02 If you want to discover the captivating history of Sparta then keep reading Sparta is one of the first names that comes to mind when we think about the ancient world And this is for good reason After its founding sometime in the 10th century BCE Sparta soon rose to be one of the most powerful city states in not only the Greek but the entire ancient world Its unique government which featured two kings and an elected senate helped it achieve relative political stability early on in its history and Spartan leaders were able to use this to expand their power and influence in the region surrounding Sparta as well as the rest of the Peloponnesian Peninsula Perhaps the most significant achievement in all of Spartan history though was their defeat of the Athenians in the Peloponnesian War This conflict which lasted roughly 30 years put the two greatest Greek city states of the time Athens and Sparta up against one another and the result a Spartan victory helped to reshape the entire ancient world It ushered in a period of Spartan hegemony which was radically different than when the Athenians sat atop the Greek world Unfortunately for the Spartans though their time spent as the leaders of the Greek world would be short lived Alliances were made between recent and past enemies and these coalitions were able to overwhelm the Spartans and force them to surrender After this Sparta would fall in prominence but it would continue to be important when the Romans took control of most of the Mediterranean and western

Asia Nevertheless we should not take the fact that Sparta eventually fell from prominence as a sign that their time was not a great one A unique appetite for collaboration helped to produce a truly unique form of government and a keen understanding of what makes an army great helped Sparta grow from a collection of five small villages at the beginning of the last millennium BCE into a thriving Greek polis that would come to sit atop the entire Greek world In Spartans A Captivating Guide to the Fierce Warriors of Ancient Greece Including Spartan Military Tactics the Battle of Thermopylae How Sparta Was Ruled and More you will discover topics such as Who Were the Spartans The Growth of Spartan Power The Messenian Wars A Growing Rivalry with Athens The Greco Persian Wars Victory over Athens The Birth of the Spartan Empire Spartan Hegemony the Corinthian War and Sparta s Decline Spartan Government Military and Society And much much more So if you want to learn more about the Spartans scroll up and click the add to cart button
