Post-colonial Syria and Lebanon Youssef Chaitani,2007-04-27 The complex relationship between Syria and Lebanon is the political fulcrum of the Middle East and has dominated headlines since the withdrawal of French colonial forces from the Levant in 1943 One of the great paradoxes of this relationship is how two such very different political systems emerged in what many Syrian and Lebanese people see as one society At the time of independence it was assumed that only the divide and rule strategies of foreign powers kept the Arab peoples artificially separated In this major new book Youssef Chaitani examines how despite the prevalence of Arab nationalism and the regression of imperial interference Syria and Lebanon became more divided rather than more integrated in the post independence period Drawing on untapped sources from the archives of Western foreign offices and the local press Chaitani uncovers the strategies and motivations of both countries elites during this period and produces conclusions which have major implications for our understanding of Arab nationalism as well as the complexities of the Syrian Lebanese relationship **Syria** Daniel Neep,2026-02-24 A landmark new history of Syria a country forged in conflict cursed by civil war and dictatorship and pivotal to the future of the Middle East A masterful history of Syria that is both sweeping in scope and brimming with vivid detail a riveting and insightful book Wendy Pearlman author of We Crossed A Bridge and It Trembled Modern Syria has seen violence repression and autocracy suffering through tragedy after tragedy over the past century Yet the history of Syria is not just a tale of dictators and generals From the 1800s to the 2020s the Syrian people have engaged in a passionate struggle for justice equality and a better future Whether fighting for national independence from French colonial rule battling local landowning elites to share the country s wealth or rising up against the Assad regime the Syrian people have fiercely clung to their right to live with respect and dignity Theirs is a story of protest and perseverance in the long fight to reshape the political destiny of their nation Daniel Neep s Syria A Modern History offers a gripping narrative of how Syrians have navigated these events Never losing sight of the fates of ordinary people it provides a comprehensive account of how a nation born in conflict nevertheless sustained a rich complex and diverse society that will now chart its own path into the uncertain future **Bulletin** ,1969 **End-Time Prophecies Revealed** Dr. Jimmy Poon,2017-07-04 Jesus Christ is returning very soon In this book Dr Poon uses thoughtful exegesis to unlock the end time prophecies that have been sealed until now He explains how the Bible predicted the World Wars the Cold War and the current Syrian crisis He reveals the scriptural passages that hold prophecies to be fulfilled in our lifetime The

antichrist is poised on the world stage The current governments in Iraq and Syria will be toppled Terrorism war extensive famine and deadly epidemics will dominate a quarter of the earth in the next three years A ten nation Islamic Alliance will rise leading up to 2022 when a Middle East peace treaty will be signed End Time Prophecies Revealed helps you understand Daniel and Revelation decoding mysteries like 666 and the beast Above all this book shows how you can escape the coming apocalyptic catastrophes *Syria* Ian J.
