Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics. But computer based searches and single word concordances quickly overwhelm learners with raw unconnected data. This phrase concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences. Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new search. Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord, Kingdom of Heaven, and I tell you the truth. This handy reference resource contains Over 5 000 best loved and most used Bible phrases. The New King James Version as the primary translation. Cross references to other major translations NIV, NRSV, KJV, and NASB. An alphabetical arrangement by the first word in the phrase. More than 30 000 references. An extensive Key Word Index. These features make Find It Fast in the Bible a trusted time saving companion resource and stand alone aid for personal and group discovery.

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20

In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only. For example, In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel. Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent. Do you know what the words really mean that you are singing? In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i.e. the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation. Did you know that? In the 1960's Pastor Sheldon Emry wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998 Arnold E. Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples i.e. the Gospel of the Kingdom. So where did the so called churches and pastors go wrong? By the way is there really a hierarchy in the Bible? In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated. For example the Old Testament was written in Hebrew and

Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book The Student's Concordance to the Revised Version, 1881, of the New Testament of Our Lord and Saviour Jesus Christ ,1882 **101 Overcomers' Rhema Loaded with Daily Benefits** Akintayo
