The Druze and their Faith in Tawhid Anis Obeid, 2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs

Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate

public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author s appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East

The Church Universal and Triumphant Bradley C. Whitsel,2003-03 Bradley Whitsel s vivid account of the Church Universal Triumphant CUT from its modest origin as a tiny fragment of the esoteric community to its growth into a wealthy and formidable organization in the 1960s and early 1970s constitutes one of the most compelling stories to emerge from the larger movement of American religion Founded in 1958 by the charismatic Mark Prophet and subsequently headed by his wife Elizabeth Clare Prophet the Church combines New Age beliefs with an anti Communist mindset based on the conviction that America was imperiled by left wing enemies In his deft examination of the group s evolution Whitsel uses internal church documents as well as other resources to trace CUT s development of a dark apocalyptic division He places the Church Universal and Triumphant within the context of other millennial groups sharing a similar psychology of crisis and disaster and analyze the church s interactions with its political environment This book will appeal to general readers as well as political scientists and sociologists specializing in the fields of political sociology millennialism and radical religio polical movements
