Understanding Prayer:

Understanding Prayer E. M. Bounds, 2013-03-01 Prayer doesn't have to be mysterious and Understanding Prayer will clearly explain the purpose, power, and potential of regular conversation with God. This brand new compilation from the writings of E. M. Bounds, a noted authority on prayer from the nineteenth century, will show you the elements of effective, God-pleasing prayer. Whether he's discussing the proper mindset for prayer, the prayer lives of Bible characters, or the role of the Holy Spirit in our prayers, Bounds makes practical application to every believer today. Text has been lightly updated for ease of reading and space is provided for readers to record their own thoughts and observations. *Pray Like This* Rodney A. Werline, 2007-05-21 Werline encourages us to look at prayer in the following way: to attempt to understand how prayers are tied to particular cultural and social settings. Prayers are part of and expressions of a collection of cultural ideas that have been arranged within a system that seems coherent and obvious to those writings. The biblical texts Prayers participate in and express a person's worldview. Werline shows the ways that though many biblical prayers are familiar to us, biblical texts and contemporary readers come from different worlds. The Hebrew Bible and the New Testament contain many prayers. Large volumes have been written on prayer within a single book or within the writings of one author like Paul or an individual prayer such as the Lord's Prayer. Werline does not examine every prayer in the Bible or even write exhaustively on a single prayer. He has highlighted a few significant features of each prayer, and some of the prayers vividly exhibit the influence of a particular society's vision. For example, he examines the prayers of 1 and 2 Kings and 1 and 2 Chronicles because of the ways they are tightly tied to the authors' views of history. The writers' interpretation of history profoundly influenced significant portions of the Bible as well as the literature of early Judaism. **Why We Pray** John C. Peckham, 2024-07-23 Christianity Today 2025 Book Award Finalist Academic Theology If God is all powerful, all knowing, and entirely good, why do we need to ask God to do good things? Won't God act for the best regardless? Do our prayers even make a difference? Why do some go unanswered? This brief, accessible book provides a fresh angle on our questions to help us think differently about why we pray and what happens when we pray. John Peckham applies the insights from his successful book *Theodicy of Love* to the perennial problem of petitionary prayer, offering practical implications for how we might pray and live in ways that advance God's kingdom of unselfish love. Since our understanding of petitionary prayer is inseparable from our understanding of God, Peckham sheds significant light on the nature and character of God and the often-mysterious workings of divine providence. He does so by bringing theological and philosophical nuance to readings of key biblical texts on prayer, weaving in other scriptural clues to articulate an understanding of prayer that highlights not only its necessity but also its urgency. This book will appeal to students, pastors, church leaders, and thoughtful laypeople. **Understanding Prayer** Sam Storms, 2025-05-06 A Comprehensive Theological Guide to the Practice and Power of Prayer In *Understanding Prayer*, author, pastor, and scholar Sam Storms unpacks the meaning and power of prayer through a close reading of Scripture with special focus on the life and

ministry of Jesus the apostle Paul and James With scholarly wisdom and pastoral application he addresses topics like persisting in prayer praying for pleasure and warfare prayer exploring how prayer is a profoundly supernatural experience He also addresses several controversial texts and challenging questions about prayer including Does prayer really change anything Why praying in Jesus s name is not a magical incantation The most shocking prayer the apostle Paul never prayed How we can ask God for wisdom to make sense of the seemingly senseless Suffering healing and the prayer of faith How prayer brings us peace and imparts spiritual wisdom Understanding Prayer is an indispensable resource serving as both a comprehensive analysis and a practical guide for those seeking God through prayer It offers a journey into the heart of prayer transforming it from a mere ritual to a deeply personal spiritual experience that develops and grows our knowledge understanding and hunger for God

Understanding Prayer for the Dead James B Gould,2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God s purpose in creating

Prayer a Deeper Understanding Samuel Williams, 2018-02-26 Do you realize that God has left detailed instructions in the Bible on the correct way to pray Does it matter if we follow the instructions or not I want to share a point that the Holy Spirit spoke into my spirit God answers our prayers sometimes because of His mercy but He is NOT obligated to because people are praying in error When we pray correctly God will answer our prayers God is obligated to answer every single prayer prayed according to the instructions left for us in scripture This book is going to give you an in depth teaching on everything you need to guarantee that your prayers are not only heard but also answered by God You will learn why palms placed together is a rejection of God for self and is not taught in scripture You are going to develop in days what many Christians have taken years to achieve This is a must read for prayer warriors and intercessors whose vocation in the Body of Christ is dependent on them understanding the deeper things of prayer Never again will you wonder how others testify that their prayers are being answered yet you are not seeing the same results with your prayer life You will learn Christ's instructions to believers on prayer You will understand Biblical teachings on body position things that hinder your prayers and how to remove every obstacle that prevents your prayers from being heard You will also comprehend the things that the enemy of our souls has injected into Christian beliefs on prayer to make our prayers ineffective You will learn why praying in tongues is attacked so often and what praying in tongues is really for You will learn the importance of how we position our bodies as reverence to God It's time to move to that higher level Let's get started

In this transformational work Emmanuel Woriji takes readers on a journey through the heart of Christian prayer, exploring what it is, why it matters, and how believers can engage more deeply and consistently in this divine dialogue. It addresses key questions many Christians wrestle with: Why is prayer so important? What happens when I pray? Why does the enemy fight our prayer lives? How do I pray in the Holy Spirit? How does prayer unite my spirit, soul, and body? Emmanuel Woriji doesn't just teach; he testifies. Through personal stories, biblical insight, and spiritual wisdom, this book shows readers how to grow in intimacy with God, overcome barriers to prayer, and experience the supernatural strength and clarity that come through a powerful prayer life. Whether you are new to prayer or looking to deepen your walk with God, this book will equip you with the understanding, confidence, and fire to live a life full.
