The Doctrine of the Holy Spirit Yacob Godebo,2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha

Taught by the Holy Spirit Charles Plourd,2010-12-16 Experiencing the manner in which the Holy Spirit communicates the words of God to Christians is a key element in understanding a real relationship with Jesus 1st Cor Ch 2 According to the apostle Paul there is a more comprehensive interpretation of the Bible which can only be understood by the guidance of the Holy Spirit Whom is the constant companion of the Christian Bible teachers therefore are those whose doctrine we are to zealously compare with the clear and literal teaching of Holy Scripture Taught by the Holy Spirit addresses Who the ultimate Bible teacher is and why the Christian is to rely upon Him and the Word of God rather than famous people who stand behind a pulpit

Power From On High Jack Cottrell,2007 The person and work of the Holy Spirit is a neglected study in many churches Some Christians think that the subject is so deep and mysterious that it is futile to study it Others hesitate to emphasize the study of the Holy Spirit since some religious groups hold such extreme views regarding Him Still it is encouraging to see many Christians making a serious study of the Bible s teaching on the Holy Spirit Dr Jack Cottrell with his leave no stone unturned approach to studying Scripture has completed the research for us tas he examines the many concepts and characteristics of the Holy Spirit Power From On High What the Bible Says About the Holy Spirit has 11 chapters and 503 pages Jack Cottrell was long time Professor of Theology at Cincinnati Christian University He received his BA ThB Cincinnati Bible College and Seminary BA University of Cincinnati MDiv Westminster Theological Seminary PhD Princeton Theological Seminary
