- 
- 01** CIP Incoterms place the burden of risk on the seller until the goods are delivered to the carrier
 - 02** It's important to clarify the point at which the goods are considered delivered to the carrier
 - 03** CIP Incoterms only cover transportation and insurance costs until the goods reach the destination port
 - 04** It's crucial to have clear communication between the buyer and seller regarding insurance coverage
 - 05** In practice, CIP Incoterms may not always align with the practical realities of international trade

Extending the Charismatic, Ideological, and Pragmatic Approach to Leadership Samuel T. Hunter, Jeffrey Lovelace, 2020-04-21 The past 15 years of leadership research have taught us a valuable lesson There is more than one way to be a successful leader The Charismatic Ideological and Pragmatic CIP approach to leadership showcases three unique yet equally viable pathways to leading and influencing others This book reviews the history of the CIP model of leadership and summarizes the empirical findings supporting the framework Emerging areas of leadership research on the CIP model are explored including followership shared leadership measurement and gender Contributions from a range of international academics provide readers with insight into the foundation of the CIP theory of leadership and into where the future of leadership perspectives are headed It includes a chapter for practitioners seeking to understand the framework through an applied lens and offers evidence for a new scale designed to quantify a leader s CIP profile Finally a revised theoretical framework incorporating key findings to expand the model to meet the diverse needs of future researchers and leaders is offered This thought provoking volume will be essential reading for all scholars researchers and students interested in the charismatic ideological and pragmatic approach to leadership as well as professionals considering the introduction of a new leadership model *Creativity and Innovation in Organizations* José Ramos, Neil Anderson, José M.

Peiró, Fred Zijlstra, 2018-10-18 This book reflects on the increasing variety of perspectives in organizational innovation research paying attention to the antecedents but also to the outcomes of innovation Some chapters analyze the dark side of innovation including the potential negative consequences of innovative behaviors or of defying the innovation maximization fallacy Others explicitly consider affective responses after innovation efforts and assume that positive or negative effects rely on the context in which innovations occur and on the way in which people manage the process of innovation Several contributions adopt the dialectic approach by considering the multiple pathways and mechanisms that could lead to innovation at organizations Most of the chapters include the interaction of actors characteristics from employees or teams together with situational constraints from the task or the social context and outline the relevance of processes like team learning motivation variables like basic need satisfaction congruence of motives or meaningfulness at work dynamics of communication networks and affective variables This edited collection offers a rich picture of current research and management trends in the field and contributes constructively toward promoting the dialectic perspective on creativity and innovation in the workplace This book was originally published as a special issue of the European Journal of Work and Organizational Psychology **Canadian Books in Print. Author and Title Index**, 1975 **Children of Incarcerated**

Parents Yvette R. Harris, James A. Graham, Gloria Jean Carpenter, 2010-03-29 This important book covers developmental outcomes of children in this predicament parenting from prison and family reunification It is filled with research findings and addresses clinical issues as well Many children are affected by a parent in the criminal justice system and this book is sorely needed The editors and contributors have produced a wonderful resource Score 94 4 stars Doody's This book serves as a comprehensive source for understanding and intervening with children of incarcerated parents The text examines the daunting clinical implications inherent in trauma throughout development as well as social and political roles in ameliorating intergenerational delinquency It conceptualizes the problem by using an ecological framework that is focused on the experience of the child Children of Incarcerated Parents addresses developmental and clinical issues experienced throughout the trajectory of childhood and adolescence with a focus on interventions and social policies to improve outcomes for this under studied group The chapters explore individual community and national levels of policy programming and legislation

Memories of Meaningful Moments Pramda Ramasar, 2021-10-25 Pramda Ramasar has managed to capture in a remarkably concise and readable manner a subject of huge historical importance political and human complexity as a social reformer and leader and enduring relevance Her own standing as a social reformer and leader combined with her literary skill makes her uniquely qualified to shed light on a major subject and on an eminently extraordinary life This memoir shows how successful leaders can master the professional aspects of their work Ami Nanackchand [An investigation into the role faith plays in political decision making, through the eyes of Christians in Parliament All-Party Group members](#) Joshua Bell, 2014-06-06 Bachelor Thesis from the year 2013 in the subject Politics Miscellaneous grade 2 1 68% University of Lincoln

course Religion and Politics language English abstract This research paper aimed to find out the extent to which faith plays a part in the political decision making of Christian MPs The MPs who were used in this study were from Christians in Parliament All Party Group The desire to investigate this topic derives from a deep personal interest in politics combined with a sense of intrigue towards the influence of faith Interviews took place with seven MPs in order to question them about the role of their Christian faith as they work within the political arena These interviews took place in London and consisted of nine questions dealing with three concise topics the Christians in Parliament group personal influences of faith and the future of religion and politics Amongst a great deal of interesting data there were a number of key themes that can be drawn from this research Christian MPs have a unique pressure upon them which derives from their faith and having to balance this in their job as a politician In response to this pressure this paper has found that MPs are determined in their endeavours to keep the Christian faith embedded in British society Also this paper has highlighted the great extent to which faith impacts individual MPs decision making Overall this research has furthered understanding of the impact of faith on Christian MPs and the extent to which this affects their decision making processes It has enabled us to recognise the constant conflict faced by Christian MPs This research has also raised awareness of the challenges for Christian members whilst highlighting the debate regarding the extent to which religion continues to play a part in politician s decision making As well providing a compelling insight this work is a platform for deeper research into this area of study
