*A to Z on Becoming an Effective Christian Witness* Glaister Bell, MD, 2025-11-24 I consider this book to be a scripturally sound instructional guide on becoming an effective Christian witness in this twenty first century This book proposes to be a valuable tool especially since the social paradigms of the postmodern world are quite nimble in their efforts to obfuscate the simplicity and profundity of the biblical message of salvation Dr Bell captures the fundamentals of the scriptural instructions about personal salvation as well as the relevant doctrinal support for new Christians In this age when even mature Christians are forgetting the basics of how they found Christ it should be instructive

*A to Z on Becoming an Effective Christian Witness A Lucan Perspective* should be a valuable ministry tool for churches with Christian education programs as well as to families and individuals wanting to share their faith in Jesus Christ from a more biblically informed perspective
