Gwyneth Anne Thayer

Waterloo Cup 19221977:

Going to the Dogs Gwyneth Anne Thayer,2013-06-13 In the 1970s sitcom The Odd Couple Felix and Oscar argue over a racing greyhound that Oscar won in a bet Animal lover Felix wants to keep the dog as a pet gambling enthusiast Oscar wants to race it This dilemma fairly reflects America s attitude toward greyhound racing This book the first cultural history of greyhound racing in America charts the sport s meteoric rise and equally meteoric decline against the backdrop of changes in American culture during the last century Gwyneth Anne Thayer takes us from its origins in coursing in England through its postwar heyday and up to its current state of near extinction Her entertaining account offers fresh insight into the development of American sport and leisure the rise of animal advocacy and the unique place that dogs hold in American life Thayer describes greyhound racing s dynamic growth in the 1920s in places like Saint Louis Chicago and New Orleans then explores its phenomenal popularity in Florida where promoters exploited its remote association with the upper class and helped foster a celebrity culture around it By the end of the century media reports of alleged animal cruelty had surfaced as well as competition from other gaming pursuits such as state lotteries and Indian casinos Greyhound racing became so suspect that even Homer Simpson derided it In exploring the socioeconomic political and ideological factors that fueled the rise and fall of dog racing in America Thayer has consulted participants and critics alike in order to present both sides of a contentious debate She examines not only the impact of animal protectionists but also suspected underworld ties longstanding tensions between dogmen and track owners over racing contracts and the evolving relationship between consumerism and dogs She captures the sport s glory days in dozens of photographs that recall its coursing past or show celebrities like Frank Sinatra and Babe Ruth with winning racing hounds Thayer also records the growth of the adoption movement that rescues ex racers from possible euthanasia Today there are fewer than half as many greyhound tracks in half as many states as there were 10 years ago and half of them are in Florida Thayer s in depth meticulously balanced account is an intriguing look at this singular activity and will teach readers as much about American cultural behavior as about racing greyhounds

Greyhound. Breve saggio su una razza millenaria. Mario Canton,2018-11-01 La caccia una attivit sempre pi ridotta nei paesi occidentali Il coursing bandito da molte nazioni Le corse in pista non sono molto ben viste in molte regioni del globo Tutte le attivit che tradizionalmente coinvolgevano un Greyhound fatto salvo il suo ruolo di cane da compagnia compito svolto come molte altre razze sono in notevole crisi nei loro rapporti con la societ contemporanea Non impensabile che nel giro di

pochi decenni questa razza dalle origini millenarie e con lo sviluppo nella forma in cui noi lo conosciamo degli ultimi cinquecento anni possa sparire o quantomeno ridursi a numeri irrisori rispetto a quelli segnati negli ultimi secoli o anche mutare completamente il suo aspetto Forse il Greyhound potrà essere salvato dai pochi appassionati in modesto ma costante aumento che lo terranno come cane di casa o per farci insieme delle attività sportive come il lure coursing le corse amatoriali il bikejoring o altro Proprio per far capire a queste generose persone cosa si ritrovano tra le mani ho deciso di scrivere qualche riga sul Greyhound Una breve storia che forse non solo i diretti proprietari ma anche altri potrebbero trovare interessante
