king may amaze you not because he was extraordinary but because he was so ordinary He was just like each of us Here is a boy who made his way through adolescence to manhood by the skin of his teeth He fell in love and then lost his love He acted crazy in front of royalty showed great courage in facing the giant and yet was scared to death of those who hunted him for one purpose to kill him A number of hair raising exciting adventures several of which bring him close to death will keep you on the edge of your seat You may cry but you will surely laugh at some of the hilarious situations in which he and those around him find themselves Sometimes a person just needs to face life as it is and go on David had a hard time with this thought For years he felt his anointing by Samuel had been for the purpose of killing the giant He resisted the thought that it was for any other undertaking This was not the destiny of a shepherd Heroes were the ones who should become kings Yet during this confusing time of his young adult years he encounters four men that will have a mighty impact on his life One of them will save his life and another of them will have the audacity to tap the warriors chest in chastisement Who will save the man and his followers when they are backed up against a chasm with six thousand soldiers against them The answer may surprise you Get ready to empathize with David Be prepared to experience his heartache self doubt loneliness despair defeat and depression as well as his life of praise prayer and victory We will look in on his marital problems and raise his children with him If we are ordinary like the man of this volume then we may just see ourselves running from life sometimes discouraged and defeated We question God and search for him In fear we run from lifes problems and although we may not have someone trying to kill us we still struggle with our marriages and our children We still hurt terribly when we have lost that mate or that best friend We want to know what Gods will is for us and how not to succumb to temptation and then when we do fall how to come back to God with a contrite heart
