Wayward Bride:

The Desert Will Bloom A. Joseph Everson, Hyun Chul Paul Kim, 2009 Isaiah's vision of the future is nothing less than a portrait of shalom involving peace, wholeness, and hope both for the human community and the earth. Throughout the scroll, imagery drawn from nature affirms that renewal of life like the renewal of the earth is possible for the human family. The essays in this volume explore the poetic artistry and symbolic imagery in the Isaiah scroll. They examine specific texts interpreting important language and imagery in those texts, delineating the functions and implications of such imagery and metaphors throughout the entire book of Isaiah and presenting fresh methodological and interpretive considerations in reading Isaiah. Their Wayward Bride Vanessa Vale, 2021 *Perfect Fall Wedding* Olabode Ososami, 2011-10-17 What is the Bible about? The Bible is about a fall wedding. Decades ago, many found the theme of preparing for the return of Christ rather dull, but not anymore. The mood has since changed. Today, there is renewed interest in eschatology and understanding readiness for what God is preparing our minds for: the End Times. There is a strong sense of something new coming, something imminent that we have never seen or could ever conceive, and the wise need to be prepared. Many heed the cry to return to the pathway of holiness as we approach the end of the world as we know it. The Jewish Feast of Trumpets, the first of the fall feasts, foretells a coming Royal Marriage of the Messiah, ushered by the Rapture of the saints. The Perfect Fall Wedding: The Coming of Christ uses the metaphor of a Royal Wedding to bring to fore perhaps the most important and pertinent issue for us today, whether we are Christians or not, and that is the Rapture. There is nothing haphazard about the things we are witnessing, and there is always a latent faith perspective to the headlines.

Mountain Desire Vanessa Vale, 2019-11-24 When Dr. Samantha Smyth confuses the town's sexy mechanic for a patient, she gets a lesson she'll never forget. Being a child genius might have made Sam a doctor by twenty-two, but she's learned nothing about men. Her world is scalpels and scrubs, not silk and seduction. Sam is used to receiving attention for her brain, not her body, but when Mac and Hardin find out she needs tutoring between the sheets, they volunteer for the job. They're diligent in their task, ensuring she's an expert in pleasure with them. Only then Mac knows he is nothing; the beautiful doctor deserves her. He works with his hands. He's rough around the edges, tattooed, and older, but he wants her anyway. So does his best friend, Hardin. They've spent years searching for a woman they can claim together. One taste of Sam, and it's not just passion they feel for their woman; it's protectiveness, possession. When they discover Sam might be targeted by a murderer on the loose, they won't let anything take her away. And their protective instinct reaches a new level when Hardin discovers he might just be related to the killer.

Dictionary of the Old Testament: Prophets G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel's unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and

images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament
