Don Frank, Jan Frank

When Victims Marry:

When Victims Marry Don Frank, Jan Frank, 1990 Don and Jan Frank explore the tough husband wife relationships caused by either or both coming from a dysfunctional family especially when there has been sexual abuse Readers learn how to tell if their mate was victimized as a child and how to deal with feelings about the abuse **Men, Masculinities and**

Honour-Based Abuse Mohammad Idriss, 2019-12-06 This book explores the largely neglected relationship between men masculinities and honour based abuse HBA There is a common misconception that HBA whether physical violence emotional abuse or so called honour killings occurs only against women This book addresses the gap in the current literature concerning the relationship between men masculinities and HBA With contributions from an international and interdisciplinary range of both academics and professionals the book examines HBA and forced marriages specifically from male victim perspectives both in the UK and internationally Providing a clear understanding of the main theoretical and sociological explanations of HBA against male victims the book demonstrates that although men are indeed the main perpetrators of HBA state agencies must address the fact that many men are also victims This book is essential reading for students academics and practitioners alike Door of Hope Jan Frank, 1995-02-11 Victims of abuse any abuse need to know

how other people have made it through the recovery process As a victim of incest herself Jan Frank understands the myriad emotions that victims struggle with and offers ten proven steps toward recovery in Door of Hope A powerful story of inspiration and restoration Door of Hope is Jan s journey toward wholeness But it is much more than a story It is hope for other victims And in this updated edition Jan provides a special section featuring answers to questions most often asked by abuse victims and those who love them Someone I Love Is Gay Anita Worthen, Bob Davies, 1996-05-23 Finding out that a
