J. Seymour Currey

While Waiting For War:

Wake, War And Waiting... Rodney Kephart, 2015-11-06 Before the thunderous bombs dropped on Pearl Harbor in 1941 the outpost of Wake Island was a backwater dotted in the Pacific Ocean with only a handful of military personnel and construction workers on the roster Among the construction workers was Rodney Kephart of Iowa signed up with Morrison Knudsen company of Iowa and about to be attacked by the might of Imperial Japanese Navy The heroic but unsuccessful defence of Wake led Kephart and his fellow workers into Japanese captivity for how long they could not guess Captivity for the prisoners was a war in and of itself and Kephart s short narrative gives a vivid account of the daily struggles against starvation against the petty viciousness or outright brutality of the captives against dirt time and terror Yet despite his photographic realism Mr Kephart s saga is not essentially one of pessimism or despair Out of the darkness of slavery flash those small victories or omens that men could cherish and hold against the ultimate hope of freedom the Christmas celebration the miracle of a Red Cross package the sight of the first American bomber And then with the surrender of the Japanese came that unforgettable moment They were free men again For the reader who has lived through the disappointments and triumphs of the book that long awaited moment will be no less thrilling Rodney Kephart was born in Spencer Iowa in 1917 After attending school in South Dakota he went to Bethel Junior College in St Paul Minnesota Until his capture on Wake he was at various times a farmer a carpenter and an unofficial Protestant minister Since his return from the Pacific he has been studying business administration first at the Boise Junior College and later at the University of Minnesota

While Waiting for Rain John Henry Schlegel, 2022-08-02 What might a sensible community choose to do if its economy has fallen apart and becoming a ghost town is not an acceptable option Unfortunately answers to this question have long been measured against an implicit standard the postwar economy of the 1950s After showing why that economy provides an implausible standard made possible by the lack of economic competition from the European and Asian countries winners or losers touched by the war John Henry Schlegel attempts to answer the question of what to do While Waiting for Rain first examines the economic history of the United States as well as that of Buffalo New York an appropriate stand in for any city that may have seen its economy start to fall apart in the 1960s 70s and 80s It makes clear that neither Buffalo nor the United States as a whole has had an economy in the sense of a persistent market structure that is the fusion of an understanding of economic life with the patterns of behavior within the economic political and social institutions that enact that understanding since both economies collapsed Next this book builds a plausible theory of how economic growth might take place by examining the work of the famous urbanist Jane Jacobs especially her book *Cities and the Wealth of Nations* Her work like that of many others emphasizes the importance of innovation for economic growth but is singular in its insistence that such innovation has to come from local resources It can neither be bought nor given even by well intentioned political actors As a result Americans generally as well as locally are like farmers in the midst of a drought left to review their resources and wait

Finally it returns to both the local Buffalo and the national economies to consider what these political units might plausibly do while waiting for an economy to emerge *The Waiting War* Jenna Oakes,2021-04-12 We re all waiting for something a dream a change a cure an answer Though we know what the Bible tells us about waiting well the Lord s promises and His perfect plan for our life we still find ourselves battling with the day to day reality before us We re tired We re frustrated We re at a loss of what else we can possibly do We ve already surrendered this battle to Him after all Why do we still feel this way Have we though actually surrendered What does that even mean in all reality What do we do when our burning desire to trust the Lord collides with our flesh in the form of underlying expectations of Him How do we overcome our fear that silences our faith How do relinquish our controlling tendencies without becoming idle How do we pray fervently for those deep desires of our hearts while still declaring Thy will be done How do we recognize and thwart the enemy s plans to focus our eyes on all that isn t so he can steal away all that currently is How do we boldly declare to the Lord that we want Him and His will more than anything and actually mean it Connect with Jenna s heart for you as she openly shares how the Lord revealed these hidden corners of sin during her own journey of waiting Dive into Scripture with her and meet biblical characters who fought similar battles Experience freedom as you call light to the silent stones weighing down your heart and learn what it looks like to actively surrender them to the Lord Develop personalized battle strategies to overcome the enemy s attempts to drag you back into your internal chaos Become a warrior in waiting as you find your YES in His Not yet
