Whispered Promise Navneet Singh, Chapter 1 A Memory in the Rain The soft drizzle echoed like a lullaby on the rooftop of the secluded coastal inn Elara stood at the window watching the sea breathe Her hand grazed the silver locket at her neck the one he gave her five years ago The one he swore he d come back for As thunder whispered across the sky the door creaked open behind her She turned It was him Damian Soaked rugged and more devastatingly handsome than her dreams remembered His voice cracked through the tension I promised I d return and I never break a promise She didn t speak She simply crossed the room her fingertips trembling as they brushed against his jaw then his lips When he kissed her hard desperate aching the years dissolved like mist Their clothes came off like layers of armor His mouth traced every inch of her rediscovering the territory of her skin Her legs wrapped around him as if they belonged there Their bodies moved with the hunger of time lost And in the storm s chorus she gasped his name and he whispered Forever Elara That was always the promise Chapter 2 The Distance Between Us Morning sunlight filtered through the white curtains Elara woke tangled in Damian s arms heart full but wary She pressed her cheek to his chest feeling his heartbeat steady strong But her thoughts spiraled Why now she asked Damian hesitated I was deployed longer than expected Things went dark But the promise it kept me alive Every breath I took I took for you She traced the scar near his collarbone This almost took you away from me He pulled her close kissing her shoulder the base of her neck his lips finding the sensitive spot just below her ear She melted under his touch need unfurling like a flower at dawn He whispered again No one else has ever touched me like you do And once again in tangled sheets they bridged every mile with flesh breath and unspoken emotion Chapter 3 Passion Rekindled Elara led Damian to the cliffs their old secret place The wind teased her sundress as he wrapped his arms around her from behind nuzzling her hair I used to come here and imagine you holding me like this she murmured He turned her gently backing her toward the rock wall kissing her with a passion that held both fury and forgiveness He lifted her effortlessly her legs wrapping around him as her dress slid up her thighs They made love against the stones against time against fate raw rough and consuming She cried out as he moved inside her and he whispered You are my anchor my peace Chapter 4 The Truth Between Us But promises aren t only about love That night over candlelight and wine Damian confessed There s

something I didn't tell you I almost married someone else for the wrong reasons Elara's face paled You came back but did you really choose me Damian knelt before her placing the locket back around her neck It was always you I made a mistake trying to forget But even then every time I closed my eyes I whispered your name She leaned down kissed him slowly Then show me With your heart With your body With everything He undressed her like unwrapping a treasure his fingers reverent That night they made love as if sealing a vow Every movement was deliberate every moan a declaration Chapter 5 A Future Whispered Weeks passed The town whispered about their reunion But Elara didn't care On the last night before Damian's next mission he brought her to their secret place again but this time with a ring I can't promise an easy life he said but I promise I'll always come back If you'll wait She smiled through tears sliding the ring onto her own finger Then I'll wait until we're gray and wrinkled and still making love in secret places They kissed beneath the moonlight their silhouettes lost in the rhythm of passion once more This time slower deeper a celebration of love rediscovered A whispered promise she murmured as he rocked inside her Forever he replied Epilogue Echoes of Forever Years later a girl played on those cliffs watched by two lovers with silver streaked hair Damian whispered in Elara's ear Still my home And she answered Still my promise And when they kissed it was no longer a reunion It was simply where they belonged Together Always The Dream Taker Patrice Gunville, 2013-07-17 Every bit of information whether it is artificial or not good or bad Silly or Smart Is placed into a box And it grows on its own And it becomes the reality of what it should be in order to create harmony Spitting out the junk and illusions and that is the true new age Come play with me inside my realm Where I shall make you think of things much differently than you do now Lippincott's Monthly Magazine, 1906 **In Between Dreamz** Patrice Gunville, 2014-03-14 What would one do if one were granted the power to make one's dreams a reality to have dreams that can transcend into reality And if not there then where does this all happen from In The Dream Taker Series the author has written an engrossing story that revolves around an experiment that could make dreams come true but with such god-like power how can anyone truly control it or estimate the havoc it can bring into the real world Perhaps what we see isn't the real world at all Perhaps we're simple characters in someone else's dream Or better still in our own dream Project MKUltra is the code name of a U.S. government human research operation experimenting in the behavioral engineering of humans through the CIA's Scientific Intelligence Division And officially halted in 1973 In 1977 a Freedom of Information Act request uncovered a cache of 20,000 documents relating to project MKUltra which led to Senate hearings later that same year In July 2001 some surviving information regarding MKUltra was officially declassified The scope of Project MKUltra was broad What is real Some people's reality may simply not look like at all what you're reality looks like It's as simple and complex as that Are dreams like insanity And what about the people who are considered mentally ill Or those who can dive into different dimensions in their spirituality Or the minds while smoking pot The twists and turns in this book will have your head spinning in some weird vortex not knowing which way it's about to turn Yet in the end I feel we'll all learn what the heck happened when we woke up
