The Keys of Noah Robert Michael Frost,2019-06-06 FOR CENTURIES it has been told that the Holy Ark of Noah rests hidden high on the magnificence of Mount Ararat Unknowingly within it a five thousand year old mystery awaits to be discovered a secret which throughout time has only been realized by a chosen few Through dreams and prophecies a geologist becomes entwined in the oldest and greatest mystery of all time plunging him into a series of amazing adventures The Keys of Noah follows Justis Burwell on his perilous quest towards the near impossible task that is innocently bestowed upon him He becomes aware that in ancient times Noah possessed two keys one made from a unique special gold and the other a thing of wonder As Justis wades deeper into the lake of fascination and intrigue he comes to the realization that there is possibly something on the Ark that wasn t supposed to be there Will it be Justis s destiny to be the one who solves the intricate age old puzzle that has eluded everyone else for millennia or will it be the one who seeks to destroy him who prevails and fulfills the Hope of Shem Will divine providence allow Noah s ancient secret of the keys to come to light in today s world and does the phantom secret within the inner sanctum of the Ark have a secret of its own **The Parent's**
