**Voices of Sedona** Lewis Tagliaferre, 2006-09 You see although we make decisions all the time freedom of choice is an illusion of belief To understand illusion illusion must exist It is the ultimate hubris for Homo sapiens to think they alone above all the life forms on Earth have the power of choice when it seems that all other life forms do what they must instant by instant Health wealth and happiness are transient phases of life When life makes no sense and the beliefs we live by fail to explain reality traditional supports may no longer be of comfort If you are scared and confused about the uncertainties and suffering in life you may find solace in Voices of Sedona In addition to inspired dialogues with his spiritual teachers in Sedona Arizona author Lewis Tagliaferre blends elements of religion psychology philosophy history and current events into five incredible principles of universal awareness When a personal crisis strikes whether it arises from occupational family social physical or financial changes it s normal to feel a loss of control If traditional beliefs fail to bring comfort at those times there may seem to be nowhere to turn for inner peace and contentment But you can feel good inside no matter what happens outside
