

Way Upstream

A Play

Alan Ayckbourn

Way Upstream A Play

Trevor R. Griffiths

Way Upstream A Play:

Way Upstream Alan Ayckbourn,1983 What could be more pleasant than cruising through the picturesque English countryside This voyage combines the comedy touches that make Ayckbourn one of the world s best loved playwrights with a darker thread of menace 4 women 3 men *Way Upstream* Julie Legrand,Jim Norton,Susan Fleetwood,Jane Downs,James Laurenson,Nina Thomas,Tony Haygarth,National Theatre (Great Britain),1983 The National Theatre Story Daniel Rosenthal,2013-11-07 Winner of the STR Theatre Book Prize 2014 The National Theatre Story is filled with artistic financial and political battles onstage triumphs and the occasional disaster This definitive account takes readers from the National Theatre s 19th century origins through false dawns in the early 1900s and on to its hard fought inauguration in 1963 At the Old Vic Laurence Olivier was for ten years the inspirational Director of the NT Company before Peter Hall took over and in 1976 led the move into the National s concrete home on the South Bank Altogether the NT has staged more than 800 productions premiering some of the 20th and 21st centuries most popular and controversial plays including Amadeus The Romans in Britain Closer The History Boys War Horse and One Man Two Guvnors Certain to be essential reading for theatre lovers and students The National Theatre Story is packed with photographs and draws on Daniel Rosenthal s unprecedented access to the National Theatre s own archives unpublished correspondence and more than 100 new interviews with directors playwrights and actors including Olivier s successors as Director Peter Hall Richard Eyre Trevor Nunn and Nicholas Hytner and other great figures from the last 50 years of British and American drama among them Edward Albee Alan Bennett Judi Dench Michael Gambon David Hare Tony Kushner Ian McKellen Diana Rigg Maggie Smith Peter Shaffer Stephen Sondheim and Tom Stoppard **Way Upstream** ,1982 *Plays and Players* ,1996 **The Complete Index to Literary Sources in Film** Alan Goble,2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film **The Methuen Drama Dictionary of the Theatre** Jonathan Law,2013-12-16 With over 2500 entries from across the international spectrum the Dictionary of the Theatre is an essential reference tool for anyone interested in the theatre and theatre going Twentieth-century Theatre and Drama in English Heinz Kosok,Jürgen Kamm,1999 *The Ivan R. Dee Guide to Plays and Playwrights* Trevor R. Griffiths,2003 Here is the most useful and comprehensive reference book for contemporary theatre now available **Laughter in the Dark** Albert E. Kalson,1993 In *Laughter in the Dark* a comprehensive study of the plays of Alan Ayckbourn Britain s most prolific contemporary dramatist Albert E Kalson demonstrates that a recurring character is a development of the persona of the author himself The protagonist with a divided personality in Ayckbourn s first play *The Square Cat* a reluctant rock star who longs for a conventional life splits into opposing characters in his later works In the recent *The Revenger s Comedies* a man sharing his author s offstage diffidence finds himself in the control of a flamboyant woman who is as Ayckbourn himself has been both performer and director as she manipulates her way to the top of a multinational corporation mirroring the Britain of the Thatcher years Once considered a mere farceur Ayckbourn has won

critical respect as his plays reflect the breakdown of self family and community The moving portrait of a woman on the brink of insanity in *Just Between Ourselves* is a development of *The Square Cat* s dissatisfied housewife who reemerges as the giddily bewildered wife of a philandering husband in the delightfully frothy *Relatively Speaking* Madness is more fully more darkly etched in *Woman in Mind* and leads to the more disturbing madness of the world at large in *The Revenger* s Comedies even to that of the universe itself in *Wildest Dreams* Ayckbourn has explored the encroachment of evil within the social and political contexts of *Way Upstream* *A Small Family Business* and *Man of the Moment* and his nightmare vision of the future in *Henceforward* seems uncomfortably close to the contemporary automated world in which man is replaced by machine Kalson explores what he calls the Ayckbourn A effect Like Bertolt Brecht s *Verfremdungseffekt* Ayckbourn s method insists on an audience s awareness of the actor at once as character and performer but unlike Brecht s didactic works aimed at rousing an audience to action Ayckbourn uses his A effect to heighten an audience s exhilaration Laughter he knows does not preclude the engagement of the mind Brecht distances his audiences by suggesting unperformed alternate possibilities Ayckbourn engages his audience by providing those alternates In *How the Other Half Loves* the overlapping of time and place provides a telling commentary on Britain s class structure The technique leads Ayckbourn to expand the limits of theatrical presentation even further with alternate scenes in *Sisterly Feelings* even alternate plays in *The Norman Conquests* climaxing with *Intimate Exchanges* an extraordinary work for two performers that moves in sixteen directions stemming from a woman s seemingly trivial decision whether to have or not to have a cigarette The role in our lives of chance and or choice is a recurring concern for a playwright who never loses sight of his primary function to entertain his audience Remarkably as Ayckbourn s plays darken that audience continues to roar with laughter but after the laughter comes a contemplation of a less than perfect world

Adopting the Beat of Expression: An Emotional Symphony within **Way Upstream A Play**

In a world eaten by screens and the ceaseless chatter of instantaneous conversation, the melodic elegance and emotional symphony developed by the written word frequently disappear into the backdrop, eclipsed by the constant noise and distractions that permeate our lives. However, set within the pages of **Way Upstream A Play** an enchanting literary treasure full of organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts readers on an emotional trip, well unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this moving evaluation, we can investigate the book's main harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
