W.C. Fields from the Ziegfeld Follies and Broadway Stage to the Screen Arthur Frank Wertheim,2017-01-16 This book reveals how Fields became a character comedian while performing in Broadway s most illustrious revue the Ziegfeld Follies As the first biography to use the recently opened Fields Papers at the Motion Picture Academy the book explores how Fields years as a Follies entertainer portraying a beleaguered husband and a captivating conman became a landmark turning point in his career leading to his fame as a masterful film comedian The book also untangles a web of mysteries about Fields s turbulent private life from the heartrending stories about the tragic relationship with his calculating wife who refused to divorce him to his estranged son controlled by his mother to the seven year extra marital affair with a chorus girl that led to the birth of an unwanted child This electrifying saga illuminates a complex dual personality whirling from tenderness to brusqueness who endured so much anguish in order to bring the gift of laughter to millions Although vilified by Ziegfeld and assailed by demons Fields survived the cutthroat rigors of Broadway show biz to become a legendary American iconoclast and cultural icon

W. C. Fields from Burlesque and Vaudeville to Broadway A. Wertheim,2016-11-09 W C Fields was a virtuoso comedian often called a comic genius legendary iconoclast and Great Man who brought so much laughter to millions while enduring so much anguish This book explores his little known long stage career from 1898 to 1930 which had a major influence on his comedy and screen presence

Neibaur,2017-04-10 W C Fields was at the top among comedians during Hollywood s Golden Era of the 1930s and 1940s and has since remained a comic icon Despite his character s misanthropic child hating alcoholic tendencies his performances were enduringly popular and Fields became personally defined by them This critical study of his work provides commentary and background on each of his films from the early silents through the cameos near the end of his life with fresh appraisals of his well known classics Pictures once believed to be lost that have been discovered and restored are discussed and new information is given on some that remain lost

Buffoon Men Scott Balcerzak,2013-10-01 Analyzes the complicated gender histories of male comedians of the early Classic Hollywood era Film scholars and fans have used distinctive terms to describe the Classic Hollywood comedian He is a trickster a rebel or a buffoon Yet the performer is almost always described as a he In *Buffoon Men* Classic Hollywood Comedians and Queered Masculinity Scott Balcerzak reads the performances of notable comedians such as W C Fields Eddie Cantor Jack Benny Stan Laurel and Oliver Hardy Bert Wheeler and Robert Woolsey and Bud Abbott and Lou Costello through humor and queer

theory to expose a problematic history of maleness in their personas He argues that contrary to popular notions of Classic Hollywood history these male comedians rearranged or at times rejected heteronormative protocols Balcerzak begins by defining the particular buffoonish masculinity portrayed by early film comedians a gender and genre construct influenced by the cultural anxieties of the 1930s and 40s In chapter 1 he considers the onscreen pairing of W C Fields and Mae West to identify a queered sexuality and drag persona in Fields s performance while in chapter 2 he examines the two major constructions of Fields s film persona the confidence man and the husband to show Fields to be a conflicted and subversive figure In chapter 3 Balcerzak considers the assimilation and influence of Eddie Cantor as a Jewish celebrity while he turns to the cross media influence of Jack Benny s radio persona in chapter 4 In Chapters 5 and 6 he moves beyond the individual performer to examine the complex masculine brotherhood of comedy duos Laurel and Hardy Abbott and Costello and Bert Wheeler and Robert Woolsey Buffoon Men shows that the complicated history of the male comedian during the early sound era has much to tell us about multimedia comedic stars today Fans and scholars of film history gender studies and broadcast studies will appreciate Balcerzak s thorough exploration of the era s fascinating gender constructs

W.C. Fields James Curtis,2003 Provides a revealing glimpse of the man and artist behind the image of the gin guzzling misanthrope discussing Fields Philadelphia childhood his career in vaudeville his turbulent personal life and his seminal film work
