When The Witch Is Dead:

When the Witch is Dead Mary Linn Roby,2001-05 When Corinne reappeared in her life Margaret knew that she was standing on the brink of catastrophe because of her former friend s witchcraft connections Then death strikes and Margaret s daughter becomes a defenseless pawn of Corinne s diabolical will As chilling and mounting terror stalks her Margaret turns to a handsome stranger But can he counter the Satanic trap which await her in his macabre tale of love and evil *Ding Dong the Witch Is Dead* Dan Andriacco,2025-11-12 Betty Erlanger s murder was dramatic shot through heart by an arrow in a public park on Valentine s Day but the solution was prosaic She d been killed by her spurned lover Troy Braggs and everybody in the small town of Erin Ohio knew it This wasn t a case for the unique mystery solving talents of Sebastian McCabe mystery writer and amateur sleuth But when an alibi emerges for Bragg Mac and his best friend and brother in law Jeff Cody are dragged into the matter by the desperate police chief Oscar Hummel who hopes they can prove the obvious But it doesn t go well Despite the mystery writer s special skills in strange cases all seems hopeless until an eyewitness to the murder comes forward and will only speak to Mac Her evidence is convincing except for the fact that she s a witch And then come new murders with a not so obvious solution one that will stun both long time McCabe Cody fans and newcomers to the series Only Sebastian McCabe could solve this ably assisted by Jeff Cody This 16th volume in the series including two books of shorter tales in addition to the novels also includes a bonus novelette with a new kind of McCabe Cody mystery The Puzzle of the Purple Beret is narrated by Jeff s wife Lynda Teal Cody as she tells the tale of a tantalizing mystery solved by her and by Jeff s sister Kathleen Cody McCabe with no help from their spouses **An Order of Chaos** The Leopard Of Shadow,2012-11-09 I am The Leopard of the Shadows I am the essence you feel when you read the lines I have written I stalk the souls of those who read my stories thoughts and poems Enchanting them with the subliminal messages that hide amidst the lines My spells swirl amid the words entering through your eyes to fall upon your mind with the sorcery of a lost soul You can not help feeling the energy and aura when you hear the howl of one who is nocturnal Beware Reader of the wisdoms contained in that which I have written For Wisdom is the thief who robs us of the naivette of innocence There is truth to be found in even the greatest fictions How much more in tales based upon the truth There is more to the stories upon these pages than what I can write in them and many more written peices of these records that I have purposely left out for the next Outlaw Manuscript I am a Pagan a vessel spirits and creatures of other realms and dimensions use as a voice They are calling you It is not your adoration nor you weath or worship that they seek As you read through these memoires of confusion you will feel them tug at the energy inside of you drawing heat from the flame which is found at the core of each temple we call our bodies Do not be decieved by who I am or what I have done these things were lessons meant to teach me what I need to know about the enemies of my mistress the Night email leopardofshadows hotmail com Twitter LeopardofShadow The Newer Testament Nick Vale,2012-05-10 The taboo subject of openly refuting free will is now finally out of the closet This
