When Your Pet Dies:

When Your Pet Dies Alan Wolfelt, 2004-04-01 Affirming a pet owner's struggle with grief when his or her pet dies this book helps mourners understand why their feelings are so strong and helps them overcome the loss. Included are practical suggestions for mourning and ideas for remembering and memorializing one's pet. Among the issues covered are understanding the many emotions experienced after the death of a pet, understanding why grief for pets is unique, pet funerals and burial or cremation, celebrating and remembering the life of one's pet, coping with feelings about euthanasia, helping children understand the death of their pet and things to keep in mind before getting another pet.

When Your Pet Dies Victoria Ryan, 2014-10-28 A child will never forget a beloved pet or the day it died. And the sadness that follows is true grief. This little elfin guide to good grief validates your child's sadness, the necessary first step for healing. It acknowledges feelings that are new, confusing, and frightening. And it offers creative ideas for easing the sting of grief and memorializing a lost pet. A touching tribute to the love between a child and pet and a compassionate guide to handling this loss with gentleness and sensitivity.

The Loss of a Pet Wallace Sife, Ph.D., 2014-03-18 Understanding helps heal the hurt when you lose a pet. A cherished pet gives you boundless unconditional love and occupies a special place in your routine, your home, and your heart. When your pet dies, that warm special place becomes a sad, empty space. This book helps you understand the grieving process, including typical stages of grief and techniques for coping. Grieving for a missing pet, one you had to give up because of a change in life situation and other difficult circumstances. Children and the death of a pet. Euthanasia, including important considerations. Religion and the death of a pet, with articles by various religious leaders. Aftercare facilities, including an extensive index of pet cemeteries, crematories, and memorial gardens. This award-winning book has been hailed as the seminal work in the field. And now the fourth, newly revised and expanded edition offers so much more to the bereaving pet owner. This edition also includes a significant new way of considering the meaning of afterlife for us and our pets. It discusses the topic from a twenty-first century scientific perspective that is very different from existing religious or metaphysical ones, offering a new comfort to skeptics and agnostics as well.

When Your Pet Dies Jamie Quackenbush, Denise Graveline, 1988 The nation's first full-time pet bereavement counselor and the editor of *Pet Care Report* examine the emotions experienced by individuals and families who lose their pets.

What Happens When My Pet Dies? Kathleen A. Klatte, 2019-12-15 Having and taking care of a pet is a special part of life. Pets often bring us joy when we're happy and comfort when we're sad. Unfortunately, no matter how well we take care of our pets, like all living things, they'll eventually die. The death of a pet hurts, but it's something all pet owners experience. This book offers gentle explanations of tough concepts such as euthanasia and cremation to help a child understand a pet's passing. It also discusses the reasons a pet might die and offers constructive methods to help children deal with their grief.
