## **Where Shall Wisdom Be Found:**

Where Shall Wisdom be Found? Susan E. Schreiner, 1994-06-15 Through countless retellings from the Talmud to Archibald MacLeish and since the story of Job has been a fixture in the cultural imagination of the West captivating the human imagination and forcing its readers to wrestle with the most painful realities of human existence In this study Susan E Schreiner analyzes interpretations of the Book of Job by Gregory the Great Maimonides Thomas Aquinas and particularly John Calvin Reading Calvin s interpretation against the background of his medieval predecessors she shows how central Job is to Calvin s struggles with some basic theological issues Calvin and his predecessors put forth a variety of explanations for Job s wisdom focusing on discussions of suffering inferiority enlightenment union with the Active Intellect immortality providence and faith The one unifying feature of these precritical Joban commentaries is a concern with intellectual perception in particular with what Job saw or understood What did the friends who defended God misperceive Why did they not see the situation correctly How does one explain Job s perceptual superiority over his friends These texts raise basic questions about the human capacity for knowledge Can suffering particularly inexplicable suffering elevate human understandings about God and self Can humans truly perceive the workings of providence in their personal lives Are evil and injustice a reality that we must confront before finding wisdom In her final chapter Schreiner shows that such concerns are not abandoned in modern critical commentaries and literary transformations of the Joban legend Her study concludes by tracing the trajectory of these concerns through the wide array of twentieth century interpretations of Job including modern biblical commentaries the work of Carl Jung and literary transfigurations by W. S. Merwin MacLeish Wiesel and Kafka The result is a compelling demonstration of the vital insights the history of exegesis can yield for contemporary culture

**Where Shall Wisdom be Found?** Harold Bloom, 2004 In this inspiring book a preeminent literary critic takes readers from the Bible to 20th century writing searching for the ways in which literature can inform our lives

**Wisdoms Path** Keith Seiber, 2016-09-26 The intention of this book is to help Christians know they are heading down Wisdom s path and not the path to foolishness The foolish path may seem easier at first but in the end its cost is far more than we would want to pay On the other hand Wisdom s path may seem harder at first but in the end the cost is far less and the reward is far greater than we could ever imagine The wise earnestly receive the instruction of wisdom justice and judgment and equity Proverbs 1 3 Wisdom the God given ability to have a practical and successful application of the knowledge you have diligently sought out Wisdom comes from God Man cannot get wisdom apart from God     O where shall wisdom be found Geo Leach, 1861
