simultaneously creative and critical engaged in and yet apart from stories and cultures that have so often seen them as other This collection shows that women writers in English over the past 400 years have challenged those ideas not only through explicit polemic and alternative representations but through disrupting the very modes of representation and story itself

**Why Can't I Drink Like Everyone Else?** Rachel Hart,2017-06-09 From a certified life coach a guide for the sober curious on how to take a break from alcohol Many people have silently asked themselves why can t I drink like everyone else They wonder why sometimes it feels like alcohol has a pull over them that they don t understand and don t like to talk about They are frustrated that other people can control how much they drink without any problem when their efforts are often hit or miss Rachel Hart has spent years trying to answer these questions for herself and untangle this mystery Deep down she was afraid that her drinking was always going to be a problem and grew more and more frustrated of the repercussions As the years mounted she worried that not being able to rein herself in meant something was really wrong with her There is a solution and it doesn t require anyone to wear a label for the rest of their life
