F Palmer *Trusting and Toiling on Israel's Behalf*, 1898 *Select Notes on the International Sunday School Lessons ...*, 1891 **The Seed** Milverton Ojegun, 2014-10-07 In this inspiring masterpiece *The Seed* A Leader's Growth Path Milverton Ojegun reveals a series of life changing leadership principles that will challenge you to move beyond your present situation. Eminently practical and spiritually powerful it carries direct messages of how a leader is created to continually be on the growth path how to avoid the accompanying pitfalls and identify opportunities designed for you by God. We all possess a ruling capacity just like God as He purposely created man to be exactly like Him to reign on earth in our chosen fields. However for too long many have walked out of character as most have failed to understand that we are a true reflection of God's very image designed to act like Him in full authority power and excellence. In this straight forward thought provoking book the author helps you understand that you are a seed planted by God and ordered to be continually productive affirming that your foundational faith as a believer and His Word for you are seeds He has in turn given you to build up on. However certain principles must also be followed for you to attain your full capacity as a leader. This book will open the windows of your heart to a fresh understanding of you while simultaneously awakening the untapped ideas that lie within you as it uncovers those multi faceted principles that will place you on the right path to growth and excellence. David A. Ritchie, 2021-12-28 What if we understood nationalism as a religion instead of an ideology? What if nationalism is more spiritual than it is political? Several Christian thinkers have rightly recognized nationalism as a form of idolatry. However in *Why Do the Nations Rage* David A. Ritchie argues that nationalism is inherently demonic as well. Through an interdisciplinary analysis of scholarship on nationalism and the biblical theology behind Paul's doctrine of powers Ritchie uncovers how the impulse behind nationalism is as ancient as the tower of Babel and as demonic as the worship of Baal. Moreover when compared to Christianity Ritchie shows that nationalism is best understood as a rival religion that bears its own distinctive and demonically inspired false gospel which seeks to both imitate and distort the Christian gospel. **The Banner of Israel**, 1915 Hymns of the Church universal [selected by J. and E.A.
