Willful Marriage:

A WILLFUL MARRIAGE Peggy Moreland,2011-07-15 A HALF WILLING GROOM Brett Sinclair didn't want the ancestral home his grandfather had left him Problem was he couldn't just forfeit it either The only solution was marriage to Gayla Matthews So Brett said I do never expecting his bride would soon have him thinking about happily ever after AN UNWILLING BRIDE Gayla couldn't believe she had married Brett even if it was only temporarily To her love should last a lifetime and she'd known her groom only three days But when Brett swept her into his arms she wanted to be more than a wife for a while A WILLFUL MARRIAGE Soon Brett and Gayla's marriage was more than either expected And just what their hearts needed *The Intentional Marriage* Dennis Wells,Susan Wells,2013-10 Without intention we find ourselves being

tossed from one crisis to another without any plan to correct our course Love is a choice and so our greatest joy comes from intentionally loving another person The misconception is that when we bring two people together under the umbrella of marriage it becomes a beautiful thing all by itself There is no such thing as an auto pilot for a relationship The truth is two people from two different backgrounds with baggage from other relationships or from dysfunctional families are suddenly faced with life together under the same roof Sounds a little scarier than the fairy tale picture of most wedding plans Dennis and Susan have walked this journey through the difficult years and have seen the benefit of being intentional in their own marriage This book was born out of our own personal journey and has been field tested in our own relationship Most of the material in this book has been presented in our Intentional Marriage seminars This is a very practical approach to living out a committed and loving relationship It's about being more than haphazard in our every interaction It's about choosing to be intentional **A WILLFUL MARRIAGE** Peggy Moreland,Michi Tamuro,2017-12-21 To claim his inheritance Brett went to the

funeral of a man he'd never met his grandfather When he arrives he sees a young woman seated in the front row where immediate family members should be Was this his grandfather's mistress His grandfather had kicked out Brett's mother only to live in the family house with this woman In the front row Gayla is mourning her loss of the man who'd been like a father to her Tonight Brett must stay in his grandfather's house with the woman he believes was his mistress Little does he suspect that he'll end up comforting Gayla let alone spending a hot night with her [The Civil Code of the State of California](#)

s thought is valuable in thinking about aesthetics as a component of human development both including but moving beyond
the religious context as its primary center of meaning Seeing human formation as interrelated with aesthetics makes art a
vital dimension of human existence Contributing to the debate about Kierkegaard s conception of the aesthetic Kierkegaard
Aesthetics and Selfhood argues that Kierkegaard s primary concern is to provocatively explore how a self becomes Christian
with aesthetics being a vital dimension for such self formation At a broader level Peder Jothen also focuses on the role
authority and meaning of aesthetic expression within religious thought generally and Christianity in particular
