Willy Loman:

Arthur Miller's Death of a Salesman Eric Sterling, 2008 Arthur Miller's *Death of a Salesman* the third volume in the Dialogue series covers six major and controversial topics dealing with Miller's classic play The topics include feminism and the role of women in the drama the American Dream business and capitalism the significance of technology the legacy that Willy leaves to Biff and Miller's use of symbolism The authors of the essays include prominent Arthur Miller scholars such as Terry Otten and the late Steven Centola as well as young emerging scholars Some of the essays particularly the ones written by the emerging scholars tend to employ literary theory while the ones by the established scholars tend to illustrate the strengths of traditional criticism by interpreting the text closely It is fascinating to see how scholars at different stages of their academic careers approach a given topic from distinct perspectives and sometimes diverse methodologies The essays offer insightful and provocative readings of *Death of a Salesman* in a collection that will prove quite useful to scholars and students of Miller's most famous play

Florian König, 2009-11 Seminar paper from the year 2007 in the subject American Studies Literature grade 1.0 http://www.uni-jena.de/course/Classics_of_Modern_American_Drama/language/English/abstract/ The plot of Arthur Miller's Pulitzer Prize winning play *Death of a Salesman* revolves around the last days in the life of Willy Loman, an aging salesman whose pursuit of a prosperous and rewarding life for himself and his two sons, especially his oldest one Biff, comes to a tragic end. One of the reasons why he fails is because he values the wrong things and leads his life guided by wrong dreams. Willy Loman, the protagonist of Miller's classic, which critics label as one of the most powerful and affecting plays in American theatrical history, appears to overemphasize such things as success, physical ability, or personal attractiveness and loses his sense of the real forces of life in his attempt to achieve his American dream. He holds onto his dream and his ideas long after they cease to correspond with reality. This is his biggest flaw and dooms him at last. In the following paragraphs, I want to explore some examples of these values and dreams which seem to dictate Willy Loman's life and also, mostly because of him, the lives of his sons Biff and Happy, and will eventually lead to his death through suicide, which in the end will create the fortune that his life could never accumulate. In the subsequent chapter, I will show by whom the main character Willy Loman is influenced. The question that should be investigated is: Who could be the sources of Willy's philosophy of life? After that, in chapters 3 and 4, I want to go into further detail and provide specific examples of the major motifs that Miller sustains throughout the play, which in particular are the importance of being well-liked and the importance of physical prowess.

Miller, 2007-09 [Critical Companion to Arthur Miller](#) Susan C. W. Abbotson, 2007 Arthur Miller best known for his works *The Crucible* and *Death of a Salesman* is one of America's most important dramatists **Arthur Miller - Death of a Salesman/The Crucible** Stephen Marino, 2015-08-16 Arthur Miller was one of the most important American playwrights and political and cultural figures of the 20th century. Both *Death of a Salesman* and *The Crucible* stand out as his major works; the former is always in performance somewhere in the world, and the latter is Miller's most produced play. As major modern American dramas, they are the subject of a huge amount of criticism, which can be daunting for students approaching the plays for the first time. This Reader's Guide introduces the major critical debates surrounding the plays and discusses their unique production histories, initial theatre reviews, and later adaptations. The main trends of critical inquiry and scholars who have purported them are examined, as are the views of Miller himself, a prolific self-critic. **Willy Loman in Miller's "Death of a Salesman": An analysis of character portrayal** Sarah Breitkopf, 2008-10-13 Seminar paper from the year 2004 in the subject Interpreting/Translating grade 2.0 Johannes Gutenberg University Mainz, Fachbereich Angewandte Sprach- und Kulturwissenschaft, course Highlights of Mid 20th Century American Drama, language English, abstract: Since the existence of life on earth, there has been the struggle between the stronger and the weaker of all creatures. The species that had adapted best obtained the greatest chance to prevail in this combat. In exactly the same way, we can consider the history of mankind as a surviving of the fittest. Nowadays, it is not the physique alone that decides if somebody gets above the others.

Martina Olonschek,Klaus Köhring,2007-06-20 Literature Review from the year 2006 in the subject English Language and Literature Studies Literature grade 2 0 Carl von Ossietzky University of Oldenburg course Einf hrung in die englische Literatur language English abstract Analysis of the passage in the text Penguin page 25 Willy Bernard is not well liked is he page 27 Willy What do we owe This passage from the first act of Arthur Miller s drama Death of a Salesman displays one of the numerous flashbacks of Willy Loman who represents the main character and moreover a complex round character With this reflection of the past the reader or spectator is able to share in Willy s and his former family life a family life that is harmonious easy joyful or simply all in all perfect For Willy this ideal world is very important as ideals are in general He

places special value on a good image which can be seen in the very first question of the passage Bernard is not well liked is he which he addresses to his sons Biff and Happy With the simile you re both built like Adonais 1 which Willy is thankful for and moreover very proud of and the statement that his sons are going to be five times ahead of Bernard 1 because of their appearance it becomes clear that he is of the opinion that attractiveness which results in personal interest 1 and popularity is the only way to become big in business which is pretty unrealistic already because good grades are necessary to enrol in college and contents taught in college are in the majority of cases necessary to become big in business It is furthermore visible that Willy builds his hopes on Biff and Happy For them he is a role model and he seems really confident of being a good one Be liked and you will never want You take me for instance I never have to wait in line He is also sure of the fact that he is well known and welcome everywhere he goes which is indicated by the following statement Willy Loman is here That s all they have to know Another pleasure in Willy s life is to share his work with his sons by telling them stories about it He then tends to exaggerate as it is seen in his self praise hyperbole knocked em cold in Providence slaughtered em in Boston 3 in order to bring his business success near to them
