

Wind Dancers

Suzanne Cary Gruver

Wind Dancers:

Wind Dancers #12: Magic Horses--or Not? Sibley Miller,2011-06-21 When the tiny flying horses known as the Wind Dancers suddenly lose their magic they try to think of it as an adventure and go in search of Leanna to whom they have been invisible

The Wind Dancer/Storm Winds Iris Johansen,2011-05-04 Twice the thrills in one captivating volume Published together for the first time from 1 New York Times best selling author Iris Johansen comes a gripping pair of historical thrillers that push the boundaries of intrigue suspense and danger The Wind Dancer In Renaissance Italy intrigue is as intricate as carved cathedral doors but none is so captivating as that surrounding the prized Wind Dancer the lost treasure of a family and of the man who will stop at nothing to reclaim it Lionello Andreas is bound by his vow to guard the exquisite statue But to recover what is rightfully his he will need the help of a thief one he can control body and soul He finds his answer on the treacherous backstreets of Florence in a sharp witted young woman whose poverty leaves her no choice But in the end the allure of the Wind Dancer and the ruthlessness of those who would possess her will catapult them both into a terrifying realm where death may be the most merciful escape Storm Winds Jean Marc Andreas wanted what was rightfully his and would use any means to get it Juliette de Clement a confidante of the royal family could aid his search for the treasure so many had killed to possess and died to protect But in the treacherous world of eighteenth century revolutionary France death could come from any direction none more likely than from the person you trusted most Still Jean and Juliette had no choice but to trust each other Their lives depended on it Someone else was determined to have the Wind Dancer statue and the legacy it bestowed Someone whose twisted genius was already wrecking a path of unspeakable violence

The Winds of Eruna K. H. Moore,2016-09-16 Not long after the Great Winds give birth to the land of Eruna a gifted winglet grows into a girl who is determined to follow her path whatever that might be One day after she insists she wants to study magic at a special academy by the cliffs she leaves her grandfather Tavat leader of the clans of the High Plateaus no choice but to accompany her with his best warriors on a journey across Eruna Unfortunately their journey is fraught with danger Along the way Ooloo encounters the High Matriarchs daughter who is secretly life mated to a wingman from a family politically opposed to her mother a wingless ground dweller who has fled from an accident and left behind his lover and family and a former Wind Dancer who is wreaking death and destruction in the Wastelands under the bidding of his demon overlord As the Winds intertwine all of their lives they must wait to see if their destiny will take root among the giant Trees of Eruna or if an evil presence will unleash a dark plan The Winds of Eruna is a story of strength amid adversity as a gifted winglet sets out on a quest to battle the evil that overshadows her land
