

Standard English

When communicating, it is important to use standard English (including spelling, punctuation and grammar).

Standard English

The form of the English language that is widely accepted as the correct form.

Dialect

A form of the language that is different to the standard and is specific to a region or social group.

Slang

Informal (non-standard) words or phrases that are often specific to a particular group.

Standard English is used by the majority of people. However, there are variations in spelling and grammar between many spoken dialects and standard English.
